

Man's Civil War

**MY hovering thoughts would fly to heaven
And quiet nestle in the sky,
Fain would my ship in Virtue's shore
Without remove at anchor lie.**

**But mounting thoughts are haled down
With heavy poise of mortal load,
And blustering storms deny my ship
In Virtue's haven secure abode.**

**When inward eye to heavenly sights
Doth draw my longing heart's desire,
The world with jesses of delights
Would to her perch my thoughts retire,**

**Fon Fancy trains to Pleasure's lure,
Though Reason stiffly do repine;
Though Wisdom woo me to the saint,
Yet Sense would win me to the shrine.**

**Where Reason loathes, there Fancy loves,
And overrules the captive will;
Foes senses are to Virtue's lore,
They draw the wit their wish to fill.**

**Need craves consent of soul to sense,
Yet divers bents breed civil fray ;
Hard hap where halves must disagree,
Or truce halves the whole betray !**

**O cruel fight ! where fighting friend
With love doth kill a favoring foe,
Where peace with sense is war with God,
And self-delight the seed of woe !**

**Dame Pleasure's drugs are steeped in sin,
Their sugared taste doth breed annoy ;
O fickle sense ! beware her gin,
Sell not thy soul to brittle joy !**

Thomas F. Curran,2023-07-14 Examining humor in depictions of the Civil War from the war years to the present this review covers a wide range of literature film and television in historical context Wartime humor served as a form of propaganda to render the enemy and their cause laughable but also to help people cope with the human costs of the conflict After the war many authors and later movie and

television producers employed humor to shape its legacy perpetuating myths and stereotypes that became ingrained in American memory Giving attention to the stories behind the stories the author focuses on what people laughed at who they laughed with and what it reveals about their view of events The Southern War Poetry of the Civil War Esther Parker Ellinger,2023-11-09 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **Civil War Poetry and Prose** Walt Whitman,2012-06-07 Poems letters and prose from the war years include O Captain My Captain When Lilacs Last in the Dooryard Bloom d Adieu to a Soldier and many other moving works *Battle-Pieces and Aspects of the War* Herman Melville, This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide *The Columbia Book of Civil War Poetry* Richard Marius,1994 Poetry prose photos and songs of the Civil War The authors range from hawks to doves In the former category James Madison Bell wrote The pleasing duty still remains To sing a people from their chains **Royalism and Poetry in the English Civil Wars** J. Loxley,1997-10-27 English literary history has long incorporated the category of Cavalier verse and the critical presuppositions that have shaped such a category continue even now to determine the ways in which much civil war writing is read Through a detailed study of both manuscript and printed texts James Loxley arrives at an account of the interaction between poetry and royalist political activity which for the first time presents a sustained and coherent challenge to such presuppositions **The Oxford Handbook of British and Irish War Poetry** Tim Kendall,2007-02-22 Thirty seven chapters written by leading literary critics from across the world describe the latest thinking about twentieth century war poetry The book maps both the uniqueness of each war and the continuities between poets of different wars while the interconnections between the literatures of war and peacetime and between combatant and civilian poets are fully considered The focus is on Britain and Ireland but links are drawn with the poetry of the United States and continental Europe The Oxford Handbook feeds a growing interest in war poetry and offers in toto a definitive survey of the terrain It is intended for a broad audience made up of specialists and also graduates and undergraduates and is an essential resource for both scholars of particular poets and for those interested in wider debates about modern poetry This scholarly and readable assessment of the field will provide an important point of reference for decades to come
