Short Sda Sermons On Powerpoint:

Thirty Short Sermons John Bovee Dods, 1855 Sermons, taken in short hand by T. Palmer John Martin, 1817 **Five Minute Sermons** John Elliot Ross, 1925 *25 Ready-To-Use Short Sermons on the Difficult Sayings of Jesus* Barry L Davis, 2025-08-07

If you've ever struggled with Jesus' more challenging statements His commands to hate family members His warnings about camels and needles His promises about eating His flesh you're not alone These difficult sayings have puzzled believers frustrated skeptics and challenged interpreters for two thousand years Yet perhaps it's precisely because these sayings are difficult that they demand our attention and deserve our careful study The hard sayings of Jesus represent some of His most profound and transformative teachings They cut through comfortable religiosity to reveal the radical nature of discipleship the cost of following Christ and the revolutionary values of God's kingdom While His gentler words comfort and encourage us His difficult sayings confront and transform us forcing us to grapple with spiritual realities that we might otherwise ignore or avoid This collection was born from a conviction that the church needs to engage honestly with all of Jesus' teachings not just the comfortable ones that affirm our preferences but especially the uncomfortable ones that challenge our assumptions and call us to deeper discipleship Too often difficult sayings are either ignored completely explained away through creative interpretation or relegated to academic discussion rather than practical application
