Urban Fiction Short-Stories Nette Nette, 2020-07-14 This is the second Hood Book I have written Shout out to the hood forever

Communication in Postmodern Urban Fiction Lisann Anders, 2020-05-20 We cannot imagine our world without its digital mirror anymore We communicate to others in mediated ways and even create ourselves through our technological devices presenting an imagined version of us to the outside world This book is concerned with precisely this imagination of the self in an increasing digitalized society going back to the beginning of our digital age to the peak of postmodernism at the end of the 20th century Looking at urban fiction from the 1980s to the early 2000s the journey of fictional protagonists through the streets of mostly New York City reveals an anxiety about the loss of self in the virtual culminating in violence and destruction From Auster and Ellis to Palahniuk and DeLillo this book highlights how an increasingly distanced communication triggers the imagination of violence making it an insightful read for scholars and aficionados of city literature postmodernism and communication alike

Rural Fictions, Urban Realities Mark Storey, 2015-11 This study of late 19th century American literature uses the period's rural fiction to reveal the increasingly intricate and sometimes problematic connections between urban and rural life

Close Encounters of the Urban Kind Jennifer Brozek, 2010-04 We've all heard the stories of what happens to those who go to lovers lane and of the folly of flashing your lights at another car at night We all know someone who knows someone that survived a meeting with Bloody Mary and another who picked up a hitchhiker that then disappeared And we all know these stories aren't true They're just urban legends Right Wrong Sometimes the stories we hear are true Often they're more than they seem These are the urban legends with alien explanations and the alien encounters mistaken for urban legends The line between one and the other is so blurred in this anthology of stories about Close Encounters of the Urban Kind that you will never look at another urban legend the same way again Featuring stories by Alma Alexander Nathan Crowder Carole Johnstone Pete Kempshall Jennifer Pelland Erik Scott de Bie Bev Vincent and many others

Concise Encyclopedia of Latin American Literature Verity Smith, 2014-01-14 The Concise Encyclopedia includes all entries on topics and countries cited by many reviewers as being among the best entries in the book entries on the 50 leading writers in Latin America from colonial times to the present and detailed articles on some 50 important works in this literature those who read and studied in the English speaking world

A History of Contemporary Chinese Literature Zicheng Hong, 2007-10-15 This groundbreaking book by the eminent Peking University professor Hong Zicheng covers the literary scene in China during the 1949-1999 period primarily focusing on fiction poetry drama and prose writing Reprinted sixteen times since its publication in the PRC in 1999 it is now available in English translation at last The first section of the book deals with the 1949-1976 period Often derided and ignored as an arid era for literature by both Chinese and overseas critics Professor Hong describes the literature that was popular and officially acceptable at the time and the cultural policies and political campaigns that shaped the tastes of readers and the literary

creativity of writers during the period This part of the book is remarkable for Professor Hong's candidness and open mindedness qualities that would have made this text difficult to publish at an earlier date in China Furthermore the platform that the first part of the text provides renders the second part even more understandable to readers unfamiliar with the post 1976 literary scene and offers new insights to those who are familiar with it demonstrating as it does the close links between the two distinctive eras These links are provided by the resumption of literary traditions that had been more or less abandoned during the preceding ten year period as well as reactions against literature nurtured and guided by the state cultural apparatus The second part of the book consists of a comprehensive description of developments and insightful explanations of those developments in the literary arts and literary criticism since 1976 A unique and much needed accomplishment in contemporary literary studies Also available in paperback

Consuming Urban Culture in Contemporary Vietnam Lisa Drummond, Mandy Thomas, 2005-07-25 Vietnam is currently undergoing a metamorphosis from a relatively closed society with a centrally planned economy to a rapidly urbanising one with a global outlook These changes have been the catalyst for an exciting ferment of activity in popular culture This volume contains contributions from scholars engaged in the most up to date social research in Vietnam as well as some of Vietnam's most popular cultural producers who are forging

new ways of imagining the present whilst at the same time engaging actively in reinterpreting the past The diverse ways that Vietnam is culturally and socially negotiating the future are examined as the book addresses issues of indigenisation of cultural influences ambivalence surrounding change and the consistent blurring of boundaries between informal non state cultural activities and formal institutional structures in the evolution of a civil society in Vietnam **Disruptions of Daily**

Life Arthur M. Mitchell, 2020-10-15 *Disruptions of Daily Life* explores the mass media landscape of early twentieth century in order to uncover the subversive societal impact of four major Japanese authors Tanizaki Jun ichir Yokomitsu Riichi Kawabata Yasunari and Hirabayashi Taiko Arthur Mitchell examines this literature against global realities through a modernist lens studying an alternative modernism that challenges the Western European model Through broad surveys of discussions surrounding Japanese life in the 1920s Mitchell locates and examines flourishing divergent ideologies of the early twentieth century such as gender ethnicity and nationalism He unravels how the narrative and linguistic strategies of modernist texts interrogated the innocence of this language disrupting their hold on people s imagined relationship to daily life These modernist works often discursively displaced the authority of their own claims by inadvertently exposing the global epistemology of East vs West Mitchell s reading of these formalist texts expands modernism studies into a more translational dialogue by locating subversions within the local historical culture and allowing readers to make connections to the time and place in which the texts were written In highlighting the unbreakable link between literature and society *Disruptions of Daily Life* reaffirms the value of modernist fiction and its ability to make us aware of how realities are constructed and how those realities can be changed [The Nail in the Skull and Other Victorian Urban Legends](#) Simon Young, 2022-06-27 Winner of the

2023 Brian McConnell Book Award from the International Society for Contemporary Legend Research In the last fifty years folklorists have amassed an extraordinary corpus of contemporary legends including the Choking Doberman the Eaten Ticket and the Vanishing Hitchhiker But what about the urban legends of the past These legends and tales have rarely been collected and when they occasionally appear they do so as ancestors or precursors of the urban legends of today rather than as stories in their own right In *The Nail in the Skull and Other Victorian Urban Legends* Simon Young fills this gap for British folklore and for the wider English speaking world of the 1800s Young introduces seventy Victorian urban legends ranging from Beetle Eyes to the Shoplifter s Dilemma and from Hands in the Muff to the Suicide Club While a handful of these stories are already known the vast majority have never been identified and they have certainly never received scholarly treatment Young begins the volume with a lengthy introduction assessing nineteenth century media emphasizing the importance of the written word to the perpetuation and preservation of these myths He draws on numerous nineteenth century books periodicals and ephemera including digitized newspaper archives particularly the British Newspaper Archive an exciting new hunting ground for folklorists *The Nail in the Skull and Other Victorian Urban Legends* will appeal to an academic audience as well as to anyone who is interested in urban legends **The Continuum Encyclopedia of American Literature** Steven
