

The Flying Elephant

Once upon a time, a herd of elephants lived in a forest clearing beside a crumbly old castle.

The castle had been empty for many years. Some towers and walls still stood though, with vines growing over them. The adult elephants loved to scratch their backs against the castle, but they were too big to go through the doors. Only the young elephants could squeeze through—they had a lot of fun playing inside, away from the adults.

The youngest was a three-year-old elephant named Milly. One day she was chasing a colorful butterfly in the castle, when she tumbled down a few stairs and broke through a door into a wide dark room.
