Tertullian

Should A Christian Join The Army:

Should a Christian Join the Army? David Hull, 2009-03 As Christians Jesus as our Lord and Savior We are to live according to His Word and His Will And our Father Will is for Christians to love all men and to live in peace with all men The will of God is for us to save all peoples of all nations through the Word of God not to kill them with the sword of man We must no longer justify supporting armies that oppose the Holy Word and Will of God by ordering our Christian Brothers to disobey God s Will and wage war on and kill the very people that Jesus has called us all to witness to and to baptize and save them in his name Dr Martin Luther King Jr was himself against militarism and war and you shall find quotes from him expressing his opinions on them in the beginning portion of this book I would like to thank him for being one of the inspirations to me in writing this book I would also like to thank all the Veterans that have ever turned not only away from wars but all Veterans that have also turned away from armies because of their belief in Jesus and his Holy teachings for every one of those Veterans have also greatly helped inspire me to write this book And most of all I like to thank God Almighty and His Holy Son Jesus the Christ for they were the greatest inspiration to me in writing this book I know that this book will take you the reader through a deep spiritual journey of self examination towards your personal feelings of military and war World peace is possible for all things are possible with God

A Worldly Christian Dyron B. Duaghrity, 2022-01-01 Stephen Neill 1900 1984 was a towering figure of twentieth century global Christianity but was in many ways a broken man who faced profound and crippling struggles A Worldly Christian charts the extraordinary but often tragic life of a global Christian pioneer par excellence in a church that diversified dramatically during his lifetime Privileged to live in radically different cultural contexts over the course of his life Neill excelled by turns as a missionary and bishop in India an ecumenist in Geneva a professor in Hamburg and Nairobi and a prolific author of some seventy books and hundreds of articles upon his retirement to the UK Throughout this varied career he shared his tremendous knowledge of the world Christian movement with scholars clergy and laypersons alike Many will find his story compelling from Christian scholars to all those who have cherished his influential body of work and benefit from his legacy

THE SPIRITUAL GIFT OF GOD EVERY CHRISTIAN PARENT SHOULD PRAY FOR PARENTAL WISDOM Rev. Jackson Bead, 2020-12-23 Book In the spiritual gift of parental wisdom Rev E Jackson Bead addresses issues and problems in parenting that perhaps many parents have not thought of Some of the major problems our world faces today are the results of the many things many parents didn t put in place when their child children are little and that is true even with many Christian homes including those who are pastors and church leaders In this book we have given some very important points that I believe will give you an eye opening wisdom to help you not to repeat the pattern of the mistakes many have already made Train up a child the way they should go and when they are grown they will not depart from it Proverbs 26 6 May the Lord help us all to take parenting seriously and diligently

Christian and Pagan in the Roman Empire Tertullian, 2001-09 In this volume Robert D Sider undertakes a judicious pruning of the original texts and brings a fresh

accessibility to the important writings of Tertullian **Abortion and the Early Church** Michael J. Gorman,1998-10-26

What is abortion A convenience to society A legal offense Murder The twentieth century is not the first to face these questions Abortion was a common practice two thousand years ago The young Christian church growing up in influential centers of Greco Roman culture could not ignore the practice How would church leaders define abortion Gorman examines Christian documents in their Greco Roman context concluding that Christians held a consistent position throughout the church s first four hundred years *Library of Christian Cooperation* Federal Council of the Churches of Christ in America,1917 The Bible Christian magazine, a continuation of the Arminian magazine Bible Christians,1882 *Christian Pacifism for an Environmental Age* Mark Douglas,2019-04-25 Provides a new understanding of the traditions of Christian pacifism in order to address wars in a warming world **The Christian Observer** ,1855 Social Duties from the Christian Point of View Charles Richmond Henderson,1909 **The Christian reformer; or, Unitarian magazine and review [ed. by R. Aspland].** Robert Aspland,1839 **Christian Examiner and Theological Review** ,1857 **A New, Universal, and Impartial History of England ... By G. F. Raymond, Esq. assisted by Alexander Gordon and Hugh Owen, etc** George Frederick RAYMOND,1790 **Church and Mission in the Context of War** Eraston Kambale Kighoma,2021-06-16 The church in the Democratic Republic of Congo is no stranger to conflict yet little research has been done on the impact of war in shaping the local church s understanding of itself and its mission In this in depth study Dr Eraston Kambale Kighoma traces the survival and theological development of the Baptist Church in Central Africa over a twenty year period of conflict Utilizing a combination of descriptive contextual and integrative approaches he examines the effect of war on the church s theology in action especially its understanding and practice of mission This study sheds new light on existing theories of missions while offering specific insight into the church s missionary task in contexts of conflict It offers an excellent addition to missiological studies for scholars and practitioners alike The Origins of Roman Christian Diplomacy Walter Stevenson,2020-11-23 This book illuminates the origins of Roman Christian diplomacy through two case studies Constantius II s imperial strategy in the Red Sea and John Chrysostom s ecclesiastical strategy in Gothia and Sasanian Persia Both men have enjoyed a strong narrative tradition Constantius as a persecuting theological fanatic and Chrysostom as a stubborn na ve reformer Yet this tradition has often masked their remarkable innovations As part of his strategy for conquest Constantius was forced to focus on Alexandria demonstrating a carefully orchestrated campaign along the principal eastern trade route Meanwhile whilst John Chrysostom s preaching and social reform have garnered extensive discussion his late sermons and letters composed in exile reveal an ambitious program to establish church structures outside imperial state control The book demonstrates that these two pioneers innovated a diplomacy that utilised Christianity as a tool for forging alliances with external peoples a procedure that would later become central to Byzantine statecraft It will appeal to all those interested in Early Christianity and late antique medieval history *The Christian observer [afterw.] The*

Christian observer and advocate ,1804 **The Christian Examiner and Religious Miscellany** ,1857 The Morality of Self-Defense and Military Action David B. Kopel,2017-02-16 Shedding new light on a controversial and intriguing issue this book will reshape the debate on how the Judeo Christian tradition views the morality of personal and national self defense Are self defense national warfare and revolts against tyranny holy duties or violations of God s will Pacifists insist these actions are the latter forbidden by Judeo Christian morality This book maintains that the pacifists are wrong To make his case the author analyzes the full sweep of Judeo Christian history from earliest times to the present combining history scriptural analysis and philosophy to describe the changes and continuity of Jewish and Christian doctrine about the use of lethal force He reveals the shifting patterns of thought in both religions and presents the strongest arguments on both sides of the issue The book begins with the ancient Hebrews and Genesis and covers Jewish history through the Holocaust and beyond The analysis then shifts to the story of Christianity from its origins through the Middle Ages and the Reformation up the present day Based on this scrutiny the author concludes that contrary to popular belief the legitimacy of self defense is strongly supported by Judeo Christian scripture and commentary by philosophical analysis and by the respect for human dignity and human rights on which both Judaism and Christianity are based **The Weekly Orthodox Journal of Entertaining Christian Knowledge** William Eusebius Andrews,1832 **Christian Basics Bible NLT** Martin H. Manser,Michael H. Beaumont,2017 Finalist for the 2018 Christian Book Award for Bible of the Year New to the Bible Either because you have become a Christian recently or because somehow the Bible seems to have passed you by Then this edition is for you Whether you are reading the Bible for the first time or not its variety of material not to mention its length can seem overwhelming It can be difficult for readers new to Scripture to explore its teachings and to see how Christian beliefs are established in its pages But understanding both what we believe and why we believe it provides the foundation for a grounded Christian faith The Christian Basics Bible is filled with features designed to help readers especially those new to the Bible connect biblical teachings to Christian beliefs and to see how those beliefs apply to their lives By delivering the right amount of both information and application The Christian Basics Bible can become the catalyst for living a vibrant Christian life

Recognizing the exaggeration ways to get this book **Should A Christian Join The Army** is additionally useful. You have remained in right site to begin getting this info. acquire the Should A Christian Join The Army associate that we provide here and check out the link.
