Narbi Valley Town, also known as Middle Quarters, was established in the early eighteenth century in the land of Cantala. It is home to humans, light and dark witches, as well as warlocks who occupy the North and South of the land. It was forbidden for humans and witches to marry or intermingle unless it was for ritualistic purposes. Humans lived in constant fear of the evil beings that would sacrifice their loved ones and use them in demonic rituals toward Satan. A battle between good and evil resulted in the death of one of the members of the upper echelons in the witches hierarchy. As time passed, witches and warlocks soon intermarried with humans as the former chose to give up their craft and live a human or Christian life. However, as good as life appeared to be, evil still lurked in the darkness, growing and hiding while biding its time until it launched a new onslaught of wickedness on those that lay below. One hundred years later, with the rise of the upper witches' bloodline, the threat of raising Satan and his demons in the twenty-first century is real. A prophecy was foretold of eight souls that would help save the town and neighboring countries whose livelihood is threatened by the sudden rise of demonic activities resulting from the agents of Lucifer infiltrating most of the town. With the threat of complete annihilation on the horizon, a young man will face the biggest question of his life: does God really exist? His name is Renwar Valle and together with his young friends, he will need to stand against evil to rescue the souls of Narbi Valley Town. When the curtain falls, will good prevail or will evil take full control? **Cadence** Ronnie Ann Krupa, 2006 *Machinations* J. S. Breving, 2011-05. Drew is an impressionable and ill-at-ease youth who grows up in the quirky rural town of Eastern. With the help of his best friend Anjali, he struggles to find the real truth hidden just beneath the surface of this seemingly idyllic community. A thousand years
