the traditional set of narrative rules taught in most university creative writing programs The work serves as the author s reminder of how he began his writing career and how little he actually knew It may have been and still is sloppy but it was the start It s a time capsule of insanity A window into the once tortured soul of someone diagnosed with borderline personality disorder It is vile and reprehensible but also honest Many of the images and situations serve as metaphors and are symbolic of a lifetime of emotional suffering The creation of this work was a journey into the darkest regions of the soul Ultimately healing of the mind body and soul was achieved If you are easily triggered and offended please stay as far away from this work as humanly possible This anthology was NOT created to glorify or celebrate the extreme situations presented It was originally a therapeutic tool utilized by the author as suggested by mental health professionals You ve been warned

Twisted Bitches Matt Shaw, Michael Bray, 2016-09-07 Music pumped into the club Rock songs of the eighties on this themed night The dance floor was packed with people mostly in their thirties enjoying the tunes from their younger days The bar was crowded with groups of friends shouting to one another over the songs as they downed cocktails pints and shots whilst eyeing up strangers who caught their eye Not so much a club more like a cattle market with people looking for drunken fumbles and one night stands with anyone willing One such customer was Jacob Miller and although the night was still young he was already on the way to securing his fun for the evening He had been chatting up a pretty brunette by the name of Harley for the last thirty minutes after first offering to buy her a drink She had asked for a vodka and orange She got a double and the same again when he bought her the second round She was smiling she was laughing at his jokes blushing at his compliments and unknown to him planning on how to end his miserable life By morning he would be dead and the Twisted Bitches would have taken out another pathetic pig From Matt Shaw author of Sick B stars and PORN and Michael Bray author of the Whisper Trilogy comes a dark horror with a supernatural twist Please be warned this contains extreme violence sex and horror Do not purchase if easily offended
