Bloodline Sidney Sheldon, 2010-06-22 Don't miss this sexy blockbuster thriller from international bestselling author Sidney Sheldon. Roffe and Sons is a family firm, an international empire filled with desperate cash hungry family members. At its head was one of the wealthiest men in the world, a man who has just died in a mysterious accident and left his daughter Elizabeth in control of the company. Now as this intelligent, tough and gorgeous woman dares to save, not sell Roffe and Sons, she will have to outwit those who secretly want her power and the unknown assassin who wants her life. **Bloodline** is a sweeping novel of high financial intrigue on three continents, love, murder, danger and suspense. **I Hated, Hated, Hated This Movie** Roger Ebert, 2000-04 I Hated Hated Hated This Movie is a collection of more than 200 of Ebert's most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize. Ebert has no patience for these atrocious movies and minces no words in skewering the offenders. Witness *Armageddon* 1998: The movie is an assault on the eyes, the ears, the brain, common sense and the human desire to be entertained. No matter what they're charging to get in, it's worth more to get out. *The Beverly Hillbillies* 1993: Imagine the dumbest half hour sitcom you've ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie. It's appalling. North no stars 1994: I hated this movie. Hated hated hated hated hated this movie. Hated it. Hated every simpering stupid, vacant audience insulting moment of it. Hated the sensibility that thought anyone would like it. Hated the implied insult to the audience by its belief that anyone would be entertained by it. *Police Academy* no stars 1984: It's so bad, maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you're sitting through a bad comedy, he could shake his head, chuckle tolerantly and explain that you don't know what bad is. *Dear God* 1996: *Dear God* is the kind of movie where you walk out repeating the title but not with a smile. The movies reviewed within *I Hated Hated Hated This Movie* are motion pictures you'll want to distance yourself from, but Roger Ebert's creative and comical musings on those films make for a book no movie fan should miss. *The Encyclopedia of Hollywood Film Actors* Barry Monush, 2003-04-01 For decades *Screen World* has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts.
