Guide to Kansas Architecture David H. Sachs, George Ehrlich, 1996 Some were designed in elaborate styles bearing elegant names Beaux Arts French Renaissance Art Deco Others were humbly handcrafted from easily accessible materials wood stone and sod But whether courtly colloquial capricious or curious each of the state s architectural configurations has become an aesthetic slice of Kansas In Guide to Kansas Architecture David Sachs and George Ehrlich spotlight hundreds of these surprisingly diverse homes businesses schools churches courthouses theaters bridges and barns spread throughout all 105 counties Encompassing the historical and contemporary the vernacular and singular this book features Victorian masterpieces stately courthouses and split level suburban homes alongside the likes of the world s most beautiful gas station and Big Brutus the enormous electric coal shovel turned museum Illustrating where how and why Kansans assembled and altered their physical surroundings the authors have amassed information on 700 structures including descriptions construction dates architects historical background and unusual traits They also provide maps and addresses to make them easy to find This one of a kind guide for Kansas underscores architecture s bond with the

state's artistic, cultural, historical, social, political, and economic attributes and idiosyncrasies. As a handy reference and traveling companion, it will be invaluable to the well-versed architect, preservationist, or historian, as well as to the merely inquisitive and adventurous.

Academic Writing: An Introduction - Fourth Edition Janet Giltrow, Richard Gooding, Daniel Burgoyne, 2021-03-18. Academic Writing has been widely acclaimed in all its editions as a superb textbook and an important contribution to the pedagogy of introducing students to the conventions of academic writing. The book seeks to introduce student readers to the lively community of research and writing beyond the classroom with its complex interactions, values, and goals. It presents writing from a range of disciplines in the humanities, social sciences, and natural sciences, cultivating students' awareness of the subtle differences in genre. The fourth edition has been revised throughout and includes a new chapter on visual rhetoric, a new section on the academic peer review system, updated examples, expanded exercises, and new glossary entries.
