I suggest, I originated from this male's dangly bits for Christ's sake! As I look back now I recognize that I probably even provided my dead/dying daddy a kiss and informed him goodbye in his last minutes. And when I say I told him goodbye I do not mean farewell as in 'I enjoy you Dad, rest in peace', however farewell as in, 'be right back Papa! Man I'm hungry!' as I ventured off looking for the health center lunchroom in order to get some food ideal adequate to be called breakfast. Truthfully I couldn't even inform you how the ride on the elevator with my younger sister and auntie went. I don't even keep in mind. It's almost as though if something huge occurs to you, you just keep in mind the really juicy, important information but hope to God no one asks you about what color your shoes were or what you ate for breakfast since you would not be able to remember. And I don't understand why but I actually desire to state it was eggs that I consumed that day in the snack bar ... or something in a little bundle. The longer I sit here and attempt to bear in mind the more the image of the food on my plate that day changes. Now I think it was fruits. Yes, fruits. It definitely might have been fruits. I think if I remembered what I ate that day it would give me something to hate. Something that I could to direct all of my limitless fury to because I can't blame myself for leaving my father that day to go to the cafeteria. I'm too conceited to place all of my blame upon myself and I can't even place the blame on my mother for telling my aunt to take my sister and I down to the cafeteria because I was all for the idea of stuffing my face at the time. Maybe if it was eggs that I ate that day I would have sworn off eggs for the rest of my life because in my father's last moments I left him for eggs. Doesn't that just...
