"Hamburger essay"

Everyone has something important to say about different topics, but there is a difference between chatting with friends and writing an opinion essay. When writing an essay you need to organize your thoughts. All essays have three parts – an **Introduction** (paragraph 1), a **Body** (paragraphs 2-4) and a **Conclusion** (paragraph 5). The "Hamburger essay" pattern helps you get a clear structure for your essay.

- Present general information about your topic
- State the issue you are going to discuss

Paragraph 2: BODY (first point)

- Present the first point
- Give details and examples to support your point (arguments for or against)

Paragraph 3: BODY (second point)

- Present the second point
- Give details and examples to support your point (arguments for or against)

Paragraph 4: BODY (third point)

- Present the third point
- Give details and examples to support your point (arguments for or against)
