Scent of Death Simon Beckett, 2019-02-21 Don't miss THE CHEMISTRY OF DEATH TV SERIES now streaming on Paramount. Adapted from The Chemistry of Death and Written in Bone starring Harry Treadaway as Dr David Hunter. A superbly strong read. The Times. What began as a straightforward case is about to become a twisted nightmare. Once a busy hospital St Jude's now stands derelict awaiting demolition. When a partially mummified corpse is found in the building's cavernous loft, forensics expert Dr David Hunter is called in to take a look. He can't say how long the body's been there but he is certain it's that of a young woman. And that she was pregnant. Then part of the attic floor collapses revealing another of the hospital's secrets: a bricked-up chamber with beds inside. And some of them are still occupied. And it soon becomes clear that St Jude's hasn't claimed its last victim. Chilling, visceral and masterfully paced, Simon Beckett's new crime thriller will leave you gasping.

Love and Work Mieke Polderman, 2014-09-01 Is there interaction between love and work? If so, in what ways does it appear? The main incentive for this research is the notable increase of American and Dutch people who wish to spend more and more of their time working and who feel useless and robbed of their identity when separated from their jobs. It seems that work is considered more fulfilling and satisfying than love, which can be undermined by failing relationships, tension, depression, violence, addiction, crime, or angry and unmanageable children. Whereas Proust described love in a milieu where most of the work was done by servants and artists, Freud was convinced that love and work were the two main pillars of society. This view has been echoed by psychologists, sociologists, philosophers, and novelists. However, a new phenomenon is that men and women share love and work. Finding the right balance between the two is a hot topic in how-to books, newspaper and magazine articles, but the underlying connections have received little if any scrutiny. In fact, it may well be a mission impossible since, as the Frankfurt School asserted, the capitalist powers, in search of profit, urge politicians to lure men, women, and children onto the work floor by telling them work is a duty that not only will provide disposable income but also happiness and fulfillment in life. Hence, people internalize this message without asking themselves why continuous consumption is more important than giving and receiving love, which they crave but seldom find. Although focusing on middle-class people between the ages of twenty-five and forty who are travelling the highway of life, have paid jobs, a relationship of at least three years, and children, this study should be of interest to everyone. *Entre las cenizas (Antropólogo forense David Hunter 2)* Simon Beckett, 2013-07-04 David Hunter se enfrenta a su segunda investigación forense y la pregunta es simple: ¿qué habrá detrás de ese cuerpo calcinado? El antropólogo forense David Hunter debería estar en Londres junto a la mujer que ama. En lugar de eso, como favor a una fuerza policial local desbordada, emprende un viaje por mar a la remota isla de Runa, en las Hébridas exteriores, donde le espera un siniestro hallazgo. A lo largo de su carrera profesional, Hunter se las ha tenido que ver con muchos casos extraños, pero nada parecido a lo que encuentra en Runa: un cadáver completamente calcinado en una habitación que no muestra signos de haber sufrido un incendio. La policía archiva el caso como un accidente, pero el extraño cadáver hace que el instinto de Hunter se despierte. Convencido de que hay un asesino entre los isleños, ahora solo es cuestión

de que los refuerzos policiales lleguen a la isla para llevar a cabo una investigación Sin embargo una de las peores tormentas de los últimos años se desata sobre Runa y todas las comunicaciones se interrumpen En un lugar donde todos miran con hostilidad a los extraños Hunter comprende que descubrir al asesino no va a ser fácil y salir vivo tampoco Reseñas El mejor thriller que he leído en todo el año trepidante fascinante y muy emocionante Tess Gerritsen Imprevisible y atmosférico The Times Completamente absorbente y deliciosamente escalofriante Mo Hayder Hace gala de su talento y evoca un ambiente de terror cada vez más intenso The Guardian Excepcional Beckett es especialista en aumentar la tensión Publishers Weekly Unos personajes bien dibujados y una ambientación muy atmosférica Denver Post The Literary Review ,2007 **The Publishers Weekly** ,2009 **The Calling of the Grave** Simon Beckett,2012 When DI Terry Connor turns up on David Hunter's doorstep it's an unwelcome reminder of the past in more ways than one The two used to be friends before Connor's behaviour caused a bitter rift And the news the policeman brings is even less welcome the psychotic rapist and murderer Jerome Monk has escaped from high security prison **Whispers of the Dead** Simon Beckett,2009-01 In plain black letters were the words Anthropological Research Facility but it was better known but another less formal name Most people just called it The Body Farm The victim has been bound and tortured the body decomposed beyond recognition A second body is found A nightmare is about to begin A serial killer is at work and the death toll is rising A brutal abduction a helpless victim is taken And for forensics expert David Hunter it's become a terrifying race against time **The Lost** Simon Beckett,2022-10-11 A London detective makes a gruesome discovery that could solve the riddle of his son's disappearance in this crime thriller series debut Det Sgt Jonah Colley of the Metropolitan firearms unit has been wracked with guilt for the past ten years ever since his son went missing under his care The tragedy broke up his marriage and left him estranged from his best friend Det Sgt Gavin McKinney But now Gavin calls him out of the blue Desperate for help he needs Jonah to meet him at Slaughter Quay Jonah arrives to a horrifying crime scene where Gavin was brutally attacked and left for dead As the only survivor he is also a person of interest But even while under suspicion himself Jonah is determined to find out what happened Uncovering a network of secrets and lies about the people he thought he knew he's forced to question what really happened all those years ago The Lost is the first book in the Jonah Colley thrillers by the award winning Sunday Times bestselling author of the David Hunter series Naturgeschichte, Körpergedächtnis Andrea Bartl,Hans-Joachim Schott,2014
