The Meaning Of Revelation:

The Meaning of Revelation Helmut Richard Niebuhr, 2006-02-01 This reissue of a 20th century classic emphasizes an understanding of God's revelation that takes seriously both the Bible itself and modern ideas about the nature of history. Includes a new Foreword by Ottati which sets Niebuhr's work in the context of his other writings and explores the significance of this book.

Behold the Lamb James R. Gordon, 2007-10 If your Bible is open to the Book of Revelation you need this companion book open at its side. In times of discouragement and depression the average person likely wouldn't automatically turn to the Book of Revelation as a source of comfort and strength. Yet that's exactly what author James R. Gordon in *Behold the Lamb*. The Meaning of Revelation contends readers are to do. Gordon makes the last book of the Bible seem friendly and unthreatening as he encourages readers to keep their focus on Christ and the glory they can anticipate when someday face to face they are in His majestic presence. This introductory guide or survey of Revelation appeals to a lay reader as well as yields excellent preaching points or outlines for a clergy member. Without bogging down in millennial eschatology Gordon urges readers to live with eternity in view instead of being controlled by the present. He says Revelation urgently steers readers toward thoughts such as Am I really trusting Christ for my salvation or am I just playing a game? Can I truly say my faith in Christ is genuine and real? Am I honestly looking forward to the time when God will make everything new? Gordon reminds believers that one day all believers will have the Apostle John's thrilling experience of hearing every creature in heaven and on earth singing praise and honor and glory and power for ever and ever.

The Book of Revelation Thomas Nelson, 2010-01-31 The Book of Revelation is God's message to all who are concerned about the future. No Bible guide makes Revelation more understandable than *The Smart Guide to the Bible: The Book of Revelation*. You'll grasp the meaning of each verse; you'll understand every important symbol; and you'll get the big picture of all that God has promised for those who believe in Him. *The Smart Guide to the Bible* is a series of simplified commentaries designed to uncomplicate God's word for everyday Bible readers. Every page contains handy features or learning aids like these: Cross references to other Scriptures; Brief commentaries from experts; Points to ponder; The big picture of how passages fit with the entire Bible; Practical tips for applying biblical truths to life; Simple definitions of key words and concepts; Interesting maps, charts, and illustrations; Wrap ups of each biblical passage; Study questions. Whether you're new to the Bible, a long-time student of Scripture, or somewhere in between, you'll appreciate the many ways *The Smart Guide to the Bible: The Book of Revelation* goes far beyond your typical Bible study tool. The practical, relevant helps on each page lead you to get the most out of God's word.

Wrath and Glory, 3rd Edition David Reagan, 2021-05-14 Many Christians are very intimidated by the book of Revelation. They are

convinced that it contains nothing but bad news They are even further daunted by the great variety of bizarre interpretations of the book In this book Dr David Reagan explains that Revelation contains only good news for those who have received Jesus as their Lord and Savior Dr Reagan proves that any Christian can understand the book of Revelation if they are willing to accept its plain sense meaning As the Lord begins to open your understanding you will be thrilled by the promises of God that it contains for believers You will find yourself earnestly yearning for the Lord s soon return as never before This book is written for all denominations and ages It dispels the myths about Revelation showing that the messages of Revelation are desperately needed by the 21st Century Church which is apostasized from within and persecuted from without The Meaning and Message of the Book of Revelation Edward Allison McDowell,1951 *The Meaning of Revelation in Its Relation to Paul's Gospel as Seen in Galatians 1:11-12* Frank Zedick,1958 Rethinking the Meaning of Revelation Clifford Ross Johnson,1942 **The Excellence of Revealed Religion** C. G. Challenger,2013-10-10 Originally published in 1928 this book examines the growth and decay of the view of Christianity as a revealed religion as opposed to a religion of nature and the development of the concept of revelation Challenger demonstrates how Christian thinkers over time conceived Christianity s relationship to prophecy and philosophy and the various syntheses between faith and reason This book will be of value to anyone with an interest in the history of Christianity and Christian philosophy *Radical Revelation* Balázs M. Mezei,2017-11-30 This volume offers a practical and innovative interpretation of divine revelation from a philosophical theological perspective Bal zs M Mezei outlines the most important presuppositions of our notion of divine revelation in a historic and semantic setting as well as elaborating upon the methodology of model analysis He then introduces and analyses the notion of self revelation as the most important modern understanding of divine revelation and presents the notion of apocalyptic personhood as a corollary of radical personhood which is further developed into apocalyptic phenomenology Mezei further examines the remarkable development of some of the most important notions in the history of Christianity along with the homogenous infrastructure of these notions in the very essence of the religion the doctrine of Trinity Covering aspects of revelation from semantics to historical and cognitive origins and engaging with a wide variety of texts including Augustine Thomas Aquinas and Joseph Ratzinger Mezei makes a strong and clear statement when explaining what the radical revelation is how it can be understood and its overall importance *The Harvard Theological Review* ,1912 **Tyndale Bible Dictionary** Walter A. Elwell,Philip W. Comfort,2024-10-08 The Tyndale Bible Dictionary features the work of 139 Bible scholars in more than 1 000 informative in depth articles Thousands of cross references enable users to find additional information and details about other topics that are most important to them With hundreds of pictures maps and illustrations and the very best evangelical scholarship on the Bible this comprehensive single volume Bible dictionary is the principal book in the Tyndale Reference Library and will be an important addition to anyone s Bible reference collection The Book of Revelation G. K. Beale,2013-08-07 This monumental commentary on the book of Revelation originally published in 1999 has

been highly acclaimed by scholars pastors students and others seriously interested in interpreting the Apocalypse for the benefit of the church Too often Revelation is viewed as a book only about the future As G K Beale shows however Revelation is not merely a futurology but a book about how the church should live for the glory of God throughout the ages including our own Engaging important questions concerning the interpretation of Revelation in scholarship today as well as interacting with the various viewpoints scholars hold on these issues Beale s work makes a major contribution in the much debated area of how the Old Testament is used in the Apocalypse Approaching Revelation in terms of its own historical background and literary character Beale argues convincingly that John s use of Old Testament allusions and the way the Jewish exegetical tradition interpreted these same allusions provides the key for unlocking the meaning of Revelation s many obscure metaphors In the course of Beale s careful verse by verse exegesis which also untangles the logical flow of John s thought as it develops from chapter to chapter it becomes clear that Revelation s challenging pictures are best understood not by apparent technological and contemporary parallels in the twentieth century but by Old Testament and Jewish parallels from the distant past

The Catholic Encyclopedia Charles George Herbermann,1912 **An Introduction to Psychology of Religion** Robert W. Crapps,1986 Developed in almost thirty years of classroom experience this book is designed to introduce students and other readers to the psychological study of religion Robert W Crapps deals with the major questions and figures that have dominated the psychological study of religion over the past century dividing the discussion into four parts Two chapters in part one suggest the problems and possibilities for the psychological study of religion in light of the nature of religion and the scientific method Part two sketches the contributions to the study of religion of three intellectual currents in contemporary psychology psychoanalysis behaviorism and humanistic psychology part three explores the relationship between religion and human development while part four directs attention to religious lifestyles and that weave differentiated parts of human experience into a cohesive whole Publisher description

The Meaning Of Revelation Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Meaning Of Revelation free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Meaning Of Revelation free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search

feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Meaning Of Revelation free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Meaning Of Revelation. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Meaning Of Revelation any PDF files. With these platforms, the world of PDF downloads is just a click away.
