Tanee Fomum on Leadership (Volume 4) Zacharias Tanee Fomum, The Complete Works of Zacharias Tanee Fomum on Leadership Volume 4 contains the following books Laws of Spiritual Leadership The Ministers and Ministry of the New Covenant You Your Team and Your Ministry Leading a Local Church Volume 1 Making Spiritual Progress Volume 2 Spiritual leadership does not happen by accident It is not a haphazard thing There is a science behind spiritual leadership Travel with the author through this systematic science outlined in the laws of spiritual leadership While following this sweet science of leadership do not forget to take care of the horse that is drawing the cart If the cart is taken so much care of and none is given to the horse the horse may get sick and die and the cart will no longer be drawn and the journey will stall The leader must take care of his body to keep it fit for service The apostle Paul says For physical training is of some value 1 Timothy 4 8a He must take care of his soul spirit and heart to keep them in Christ Philippians 4 7 The author tacitly brings into the equation how to lead a local church When the Good Samaritan offered first aid to the man who was attacked and severely wounded by armed robbers on the highway from Jerusalem to Jericho he did not leave him there He took him to an inn where

they took proper care of him over a long period of time The local church is the best place where to keep your people safe as you lead them toward destiny It is the surest and most secure place on planet Earth where to retain the people as you lead them into God s purposes Why Rage as they may the gates of hell cannot and can never overcome the church Matthew 16 18 We send this fourth volume on leadership out with a cry to the Lord that He should use it to build many into leaders of His people capable of leading them into the totality of His purposes in this generation and beyond The Complete Works of Zacharias Tanee Fomum on Holiness Zacharias Tanee Fomum, The Complete Works of Zacharias Tanee Fomum on Holiness contains the following books True Repentance Restitution Deliverance from Sin The Way of Sanctification You Can Receive a Pure Heart Today The School of Truth The Believer s Conscience The Sin before You Can Lead to Death Do not commit it A Vessel of Honour A Broken Vessel Holiness seems to have become an elusive theme in our day Many preachers prefer to shy away from preaching it Why Because they don t live it In this way the enemy is fighting holiness like nothing else since he knows we have all been commanded to be holy even as He is holy Leviticus 19 2 The Bible says You must distinguish between the holy and the common between the unclean and the clean and you must teach the Israelites all the decrees the Lord has given them through Moses Leviticus 10 10 11 So holiness has to do with being uncommon and extraordinary clean at heart and teaching it by example This makes holiness a subject that is related to sinlessness righteousness and godliness It begins with true repentance A person who has not known true repentance unto God and faith in the Lord Jesus cannot be holy Attempting holiness without true repentance would be wood hay and stubble ready to be burned in the fire He who repents truly will naturally and easily carry out restitution for past stolen defrauded borrowed or unpaid things Every holy person is uncommon in that he has experienced deliverance from all sin through knowing reckoning yielding entirely to God and walking in the Spirit He has entered the way of sanctification He has received a pure heart and enrolled in the School of Truth A holy man is a man with an all good conscience who shuns all sin because he cherishes his relationship with God He refrains from all sin because he would not want to court God s judgment He has willingly offered himself to be broken and for that reason has become a vessel of honour Following the simple practical steps outlined in this anthology will carry you into the way of holiness We send this first volume on holiness out with a cry to the Lord that He should use it to bring many to the way of holiness that has become so elusive in our day *Praying With Power* Zacharias Tanee Fomum, 2015-02-19 Lord teach us how to pray With these well known words the disciples acknowledged there was much to learn from the master about prayer and praying As a keen student of these subjects who has sat long at the master s feet Professor Fomum has learned and practiced much Even today the master is able to teach us through this faithful disciple who has searched deep and wide within the pages of scripture As a scientist the author puts the Lord Jesus s prayer life under a microscope and draws certain quantifiable guidelines This Textbook on praying is replete with charts and diagrams Professor Fomum draws on Jesus prayer life and teaching on prayer to help enrich the prayer of today s disciples The original title of this book is self
