[Patterns for College Writing](#) Laurie G. Kirszner, Stephen R. Mandell, 2011-12-22 C 1 Student s Ed Gift 12 6 13 [Love and Marriage in Africa in the Novels of Elechi Amadi, Buchi Emecheta and Chinua Achebe](#) Dr. Richa Jha, 2022-03-03 The theme of love and marriage in literature is perhaps as old as literature itself Works of literature across borders and genres have worked around these twin themes to give us some of the most memorable tales yet they appear quite neglected by the critics when making a study of African literature The world of literary criticism has witnessed a newfound interest in the African continent which had for a long time been suffering in ignominious darkness yet the majority of critical study is still focused on postcolonial themes and human relationships have largely been ignored The white man s perception and portrayal of Africa as a land of savages devoid of finer emotions could be a major influence in this regard This study strives to prove that the Africans have always had a rich history and culture of interpersonal relationships and the twin themes of love and marriage run across their literature justifying their claim to being as capable of harboring finer emotions as any other civilization of the world The novels under study in this research work present the importance of love in various aspects like the man woman relationship parent child relationship and an individual s love for his native land Various types of matrimonial alliances with the different aspects of an African marriage such as settling of marriage settlement and payment of the bride price gender equations polygamy widow remarriage etc have all been studied in the backdrop of the three novels

taken under consideration This research work based on the novels of Elechi Amadi Buchi Emecheta and Chinua Achebe studies the representation of love and marriage in African literature as an important and recurrent theme that touches upon other aspects of the society like class division human relationships social beliefs myths superstition and most importantly the gender perspectives Publications of the Modern Language Association of America ,2009 Painless Writing Barron's Educational Series,Jeffrey Strausser,2020-11-03 Whether you re a student or an adult looking to refresh your knowledge Barron s Painless Writing provides review and practice in an easy step by step format Perfect for Virtual Learning Homeschool Learning pods Inside you ll find Comprehensive instruction including information on expressing your thoughts clearly enlivening your writing with vivid images avoiding the dull passive voice and much more Painless writing techniques with sample writing passages painless tips common pitfalls and instructive tables Brain Tickler quizzes and answers throughout each chapter to test your progress *Practical Argument* Laurie G.
