The Modern Law Of Contract:

The Modern Law of Contract Richard Stone, 2013 The Modern Law of Contract provides a detailed account of the subject in England and Wales Centred around a thorough analysis of case law and statute it also takes into account a variety of theoretical approaches *The Modern Law of Contract* Richard Stone, James Devenney, 2017-07-14 The Modern Law of Contract is a clear and logical textbook written by an experienced author team with well over 50 years teaching and examining experience Fully updated to address the Consumer Rights Act 2015 and recent key cases in Contract Law it offers a carefully tailored overview of all key topics for LLB and GDL courses The book also includes a number of learning features designed to enhance comprehension and aid exam preparation allowing the reader to understand and remember core topics boxed chapter summaries offer a useful checklist for students while illustrative diagrams help to clarify difficult concepts identify important cases and assess their relevance Key case features highlight and contextualise the most significant cases reflect on how contract law operates in context highlighted For thought features ask students to consider what if scenarios while in focus features offer critical commentary on the law consolidate learning and prepare for assessment further reading lists and comparison website directions at the end of each chapter direct you to additional interactive resources to test and reinforce your knowledge Clearly written and easy to use The Modern Law of Contract enables undergraduate students of contract law to fully engage with the topic and gain a profound understanding of this fundamental area *Modern Law of Contracts: Breach and remedies* Howard O. Hunter, 1986 The Modern Law of Contracts Bruce W. Frier, James J. White, 2012-01-01 This contracts casebook includes introductions that quickly orient students within unfamiliar territories Cases present both the doctrine applied and in some instances the shortcomings of that doctrine The authors express their disagreement about basic issues so that students can experience the range of possible in modern contract law To save time the authors avoid extensive citation of academic scholarship except as it pertains to the cases being studied Certain traditional subjects such as offer and acceptance and consideration are reduced to a minimum while more contemporary subjects such as form contracts and the modern concept of unconscionability are considered at length as is arbitration and the Supreme Court's historic decision in *AT T Mobility v Concepcion* **Modern Law of Contracts** Howard O. Hunter, 1986 A Treatise on the Modern Law of Contracts Charles Fisk Beach (Jr.), 1896 **Contract Law in South Africa** Louis F. Van Huyssteen, Catherine J. Maxwell, 2019-08-05 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of the law of contracts in South Africa and Wales covers every aspect of the subject definition and classification of contracts contractual liability relation to the law of property good faith burden of proof defects penalty clauses arbitration clauses remedies in case of non performance damages power of attorney and much more Lawyers who handle transnational contracts will appreciate the explanation of fundamental differences in terminology application and procedure from one legal system to another as well as the international aspects of contract law Throughout the book the

treatment emphasizes drafting considerations An introduction in which contracts are defined and contrasted to torts quasi contracts and property is followed by a discussion of the concepts of consideration or cause and other underlying principles of the formation of contract Subsequent chapters cover the doctrines of relative effect termination of contract and remedies for non performance The second part of the book recognizing the need to categorize an agreement as a specific contract in order to determine the rules which apply to it describes the nature of agency sale lease building contracts and other types of contract Facts are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for business and legal professionals alike Lawyers representing parties with interests in South Africa will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative contract law The Modern Law of Marine Insurance Rhidian

Thomas,2015-10-14 This latest and fourth volume in the series comprises ten contributions written by an expert team of academics and practitioners and which collectively analyse and expound many of the contemporary legal issues and debates in the law and practice of marine insurance Some of the contributions touch upon areas of the law which will be amended by the Insurance Act 2015 and provide an insight to the future changes in the law The topics covered are An assessment of the Marine Insurance Act 1906 Construction of marine policies Litigating against brokers the measure of damages Co insurance and leading underwriter clauses Duties of good faith of insurers and reinsurers Assured right to interest when a policy is avoided The impact of The Cendor MOPU on the Institute Cargo Clauses Fraudulent claims Aspects of Subrogation Conflict of laws in light of the recast Brussels I Regulation This book is essential reading for maritime lawyers brokers and insurance market practitioners academics and companies associated with the marine insurance markets worldwide **Conceptual**

and Contextual Perspectives on the Modern Law of Treaties Michael J. Bowman,Dino Kritsiotis,2018-10-31 In recent years there has been a flourishing body of work on the Law of Treaties crucial for all fields within international law However scholarship on modern treaty law falls into two distinct strands which have not previously been effectively synthesized One concerns the investigation of concepts which are fundamental to or inherent in the law of treaties generally such as consent object and purpose breach of obligation and provisional application while the other focuses upon the application of treaties and of treaty law in particular substantive e g human rights international humanitarian law investment protection environmental regulation or institutional contexts including the Security Council the World Health Organization the International Labour Organization and the World Trade Organization This volume represents the culmination of a series of collaborative explorations by leading experts into the operation development and effectiveness of the modern law of treaties as viewed through these contrasting perspectives *Commentaries on the Law of Master and Servant, Including the Modern Laws on Workmen's Compensation, Arbitration, Employers' Liability, Etc., Etc* Charles Bagot Labatt,1913

Commentaries on the Modern Law of Municipal Corporations John Wilson Smith,1903 **The Choice of Law Contract** Maria Hook,2016-09-22 This book offers a contractual framework for the regulation of party autonomy in choice of law The party autonomy rule is the cornerstone of any modern system of choice of law embodying as it does the freedom enjoyed by parties to a cross border legal relationship to agree on the law applicable to it However as this study shows the rule has a major shortcoming because it fails to give due regard to the contractual function of the choice of law agreement The study examines the existing law on choice of law agreements by reference to the law of both common and civil law jurisdictions and international instruments Moreover it suggests a new coherent approach to party autonomy that integrates both the law of contract and choice of law This important new study should be read with interest by private international law scholars *The Modern Law of Railways* Charles Fisk Beach (Jr.),1890 **A Treatise on the Modern Law of Contracts** Charles Fisk Beach,2013 **modern law books** Stevens and Sons,1871 *A Treatise on the Modern Law of Corporations* Arthur W. Machen,1908 **Hagos: Customary Versus Modern Laws of Eritrea** ,2023-04-13 The research of Muluberhan Hagos compares the customary laws of ethnic groups in Eritrea and the modern laws of the country with a focus on the legal issues in society that emerge understood from a gender perspective These issues include the laws of person and gender abortion family law succession and property the law of contracts and criminal and civil liabilities in gender related offences Muluberhan Hagos treats customary law as a system that is dynamic and alive and responds to community matters It is an excellent and detailed study on the relevance of customary law today The book which is part of the GAIC Network and African studies series published with Langa makes an important contribution to the literature on legal studies African studies social protection and governance *The Modern Law of Real Property* Louis Arthur Goode,1885 **The Mason Papers** Sir Anthony Mason,Geoffrey Lindell,2007 There have been times when Australian court judgments have held enormous weight in courts throughout the world certainly throughout the Commonwealth Owen Dixon s High Court in the 1950s and Anthony Mason s High Court in the 1980s are examples If there were an Olympic record for teams of judges and why not since they have Olympic medals for taekwondo and beach volleyball the Mason court would have won gold year after year The quality of its jurisprudence was the best in the world Geoffrey Robertson QC Sydney Morning Herald 30th August 2007 This book comprises a selection of articles and speeches by Sir Anthony Mason written and delivered when he was a Justice and later Chief Justice of the High Court of Australia and after his retirement from that Court in 1995 It demonstrates his long standing interest in the judicial process and his desire to communicate to the legal world and the public a more enlightened understanding of the proper scope of judicial law making and the responsibility of judges for adapting the law to the changing conditions in society It also displays his acknowledged mastery of public and private law and his belief in the growing significance of international and comparative law in the development of Australian law The book contains some important speeches and articles on constitutional and administrative law international law human rights

equity and contract the High Court judicial administration advocacy a significant media interview a State of the Judicature report delivered as the Chief Justice of Australia and his swearing in speeches when appointed as a Justice and later Chief Justice of the High Court Some of the selected speeches display Sir Anthony s characteristic wit The book deals with highly topical subjects such as whether Australia should adopt a bill of rights the health of Australia s democratic institutions the establishment of an Australian republic globalization and the decline of parliamentary and national sovereignty The articles and speeches were chosen and edited by Professor Geoffrey Lindell in consultation with Sir Anthony A Dictionary of Words and Phrases Used in Ancient and Modern Law Arthur English,2000 These two volumes contain absorbing and interesting concise definitions of ancient and modern words and terms that a student or lawyer might come across in legal readings Purely statutory and judicial definitions since they are constantly changing are excluded This is a wonderful reference source for all who are serious about legal history or merely curious as to the meaning of thousands of words often or rarely encountered
