De Souza,Stephen Mooney,2023-09-06 If you even remotely like Sheena pick this one up The Comic Book Dispatch Jethro Morales artwork is just fantastic throughout The Fandom Post The Queen of the Jungle Returns The thrilling adventure combines the classic elements of the legendary character along with a modern sensibility that will make it the perfect debut for fans new and old Sheena is recruited that s being kind she s kind of forced to enter the bio dome an amazing synthesis of nature and machine where something has gone terribly wrong Outside the dome she faces with human trickery and deceit inside the dome she facing the deadly jungle and a fast murdering mystery Collects Sheena Queen of the Jungle 1 5 plus a gallery of every cover *The Most Dangerous Cinema* Bryan Senn,2013-11-12 People hunting people for sport an idea both shocking and fascinating In 1924 Richard Connell published a short story that introduced this concept to the world where it has remained ever since as evidenced by the many big and small screen adaptations and inspirations Since its publication Connell s award winning *The Most Dangerous Game* has been continuously anthologized and studied in classrooms throughout America Raising questions about the nature of violence and cruelty and the ethics of hunting for sport the thrilling story spawned a new cinematic subgenre beginning with RKO s 1932 production of *The Most Dangerous Game* and continuing right up to today This book examines in depth all the cinematic adaptations of the iconic short story Each film chapter has a synopsis a How Dangerous Is It critique an overall analysis a production history and credits Five additional chapters address direct to video television game shows and almost dangerous productions Photographs extensive notes bibliography and index are included **The Most Dangerous Game and Other Stories of Adventure** Connell,Jack London,O. Henry,Clark Ashton Smith,John Kruse,Rudyard Kipling,2021-07-14 A collection of six classic adventure stories Provided by publisher *Ouija, the Most Dangerous Game* Stoker Hunt,1985 *The Most Dangerous Game* Don Basham,Dick Leggatt,1974 *Terrorism in American Cinema* Robert Cettl,2009-10-21 The American cinema of terrorism

although coming to prominence primarily in the 1970s amidst high profile Palestinian terrorist activity actually dates back to the beginnings of the Cold War But this early terrorist cinema was centered largely around the Bomb who had it who would use it when and differs greatly from the terrorist cinema that would follow Changing world events soon broadened the cinema of terrorism to address emerging international conflicts including Black September pre 9 11 Middle Eastern conflicts and the post 9 11 War on Terror This analytical filmography of American terrorist films establishes terrorist cinema as a unique subgenre with distinct thematic narrative and stylistic trends It covers all major American films dealing with terrorism from Otto Preminger s Exodus 1960 to Ridley Scott s Body of Lies 2008 King Kong Ray Morton,2005-11 Chronicling the making of all seven feature films in which King Kong has appeared including the Peter Jackson film due for release in December 2005 this book includes coverage of all the original films as well as the many variants and offshoots

Outers' Book-recreation ,1923 Xianshi Inn: 仙逝 Inn Egao Chan,2022-03-10 When Cultivation Master Jianmen Yu tried to go home by breaking through the boundaries between worlds he accidentally landed here a place very similar to the home he tried to go back to but also quite different in many aspects To prepare for another jump he decided he should do what he used to do start a friendly and humble local inn and take in a few students so that they will be of help to him in the future Tempted by the offers of free food and board young Caroline and Jason started working at Xianshi Inn as students of the esoteric owner Little did they know they were in for a wild ride into a world of paranormal entities enemies and friends of superpowers and magical abilities of which they were blissfully unaware World War 2: The Most Important Events of World War II (An Absolutely Emotional and Gripping World War 2 Historical Novel) Michael Markley,101-01-01 The last time valerie was in paris she was three years old running from the nazis away from the only home she had ever known Now as a young woman all alone in the world valerie must return to paris to the bookshop and her sole surviving relative her grandfather vincent the only person who knows the truth about what happened to her parents As she gets to know grumpy taciturn vincent again she hears a tragic story of nazi occupied paris a doomed love affair and a mother willing to sacrifice everything for her beloved daughter Discover a plethora of topics such as Early life in prussia The vfr meeting willy ley Meeting hitler The vengeance weapons Operation paperclip move to the us A cold war and a space race And much more Grace visits her legacy a bookshop on a cobbled lane filled with lost memories She combs through handwritten letters unearthing the story of her grandmother matilda A woman whose one true love was locked within the barbed wire of dachau a woman who never gave up hope As grace pieces together her grandmother s heartbreaking past she discovers a shocking betrayal that shattered her family beyond repair When grace learns the long buried secret of her own identity will she ever be the same again We Will Destroy Your Planet David McIntee,2013-11-20 For over a hundred years Aliens have been trying to take over the Earth but every time they have failed often in the most unlikely ways Well no more We Will Destroy Your Planet offers our future alien overlords all of the information necessary to bring humanity to its knees Planning for an

interstellar or even intergalactic conquest is a complex affair that even races which have mastered faster than light travel might find difficult This book offers practical how to advice on a variety of topics including logistics environmental factors and of course human weaknesses It also goes into the big question of why you want to destroy or enslave the Earth as this is crucial in determining which strategy and tactics to employ Once that has been determined the book follows as step by step approach to annihilating human resistance suggesting the best and worst weapons and giving guidelines on just how much destruction is optimal With this book in hand there is little doubt that humans are now in their last generation as masters of the Earth

Tracking King Kong Cynthia Erb,2009-04-01 Studies the cultural impact and audience reception of King Kong from the 1933 release of the original film until today In Tracking King Kong Cynthia Erb charts the cultural significance of the character of King Kong from the early 1930s when Merian C Cooper and Ernest B Schoedsack s classic film King Kong was first released to Peter Jackson s 2005 remake Although King Kong has received much academic attention over the past twenty five years the bulk of these analyses deal with the film s human characters rather than Kong himself In this revised edition of an influential study Erb argues that King Kong is a particular kind of cultural outsider who represents a cross penetration of American notions of exoticism and monstrosity Tracking King Kong considers problems such as race and gender in the King Kong tradition as well as historical international and contemporary audience and fan responses to this classic film and its popular protagonist Erb begins her examination of King Kong in the 1930s when the original film was produced and released extending through the 1970s when the film and its hero reached the height of their cultural visibility in a remake by Dino De Laurentiis and concluding with a look at Peter Jackson s version in 2005 The book includes a detailed production history of the original 1933 film based on primary historical and archival sources a genre study examining Kong s relations to horror jungle adventure and travel documentary genres an analysis of Kong s influence on the Japanese film Godzilla and a look at sequels remakes and spinoffs related to King Kong such as Mighty Joe Young Erb also analyzes Jackson s remake of King Kong to determine how and why Jackson revised the main character casting him as a melancholy hero The revised edition of Tracking King Kong updates a groundbreaking study of King Kong as the iconic character enters the twenty first century Scholars of film and television studies as well as general readers interested in film and popular culture will appreciate this significant volume

The Locrian Maidens James Redfield,2021-01-12 Athens dominates textbook accounts of ancient Greece But was it for the Greeks themselves a model city state or a creative even a corrupt departure from the model Or was there a model This book reveals Epizephyrian Locri a Greek colony on the Adriatic coast of Italy as a third way in Greek culture neither Athens nor Sparta Drawing on a wide range of literary and archaeological evidence James Redfield offers a fascinating account of this poorly understood Greek city state and in particular the distinctive role of women and marriage therein Redfield devotes much of the book to placing Locri within a more general account of Greek culture particularly with the institution of marriage in relation to private property sexual identity and the fate of the soul He begins

by considering the annual practice of sending two maidens from old world Locris the putative place of origin of the Italian Locrians to serve in the temple of Athena at Ilion finding here some key themes of Locrian culture He goes on to provide a richly detailed overview of the Italian city in a set of iconographic essays he suggests that marriage was seen in Locri as a life transformation akin to the eternal bliss hoped for after death Nothing less than a general reevaluation of classical Greek society in both its political and theological dimensions The Locrian Maidens is must reading for students and scholars of classics while remaining accessible and of particular interest to those in women s studies and to anyone seeking a broader understanding of ancient Greece

Existentialism: A Guide for the Perplexed Steven Earnshaw, 2006-11-07 Existentialism is often studied by students with little or no background in philosophy either as an introduction to the idea of studying philosophy or as part of a literary course Although it is often an attractive topic for students interested in thinking about questions of self or being it also requires them to study difficult thinkers and texts This Guide for the Perplexed begins with the question of What is Existentialism and then moves on to provide a brief analysis of the key thinkers writers and texts both philosophical and literary central to existentialism Chapters focus particularly on Kierkegaard Heidegger Sartre and Camus but also discuss other philosophers and writers such as Nietzsche Dostoevsky and Kafka The second section of the Guide introduces key topics associated with existentialist thought Self Consciousness the question of God and Commitment Each chapter explains the concepts and debates and provides guidance on reading and analysing the philosophical and literary texts addressed focusing throughout on clarifying the areas students find most difficult
