The Moving Toyshop A Gervase Fen Mystery:

The Moving Toyshop Edmund Crispin, 2014-05-15 When a poet Richard Cadogan receives an unexpected 50 advance from his publisher for his new poetry book he decides to go to Oxford for a well deserved holiday The change of scenery and peace of mind is what he needs to recover his inspiration for writing but little he suspects that what he envisioned as a leisurely time spent on long walks and visiting friends will turn into a mystery solving adventure full of unexpected and dangerous twists After an eventful train journey Cadogan arrives in Oxford late at night only to realise that he has forgotten the exact address of his stay Relying on a distant memory of the place he boarded in years ago he accidentally enters a toyshop where to his surprise and fright he finds the dead body of a woman Before he knows he is knocked out and spends his first night of the holidays locked in the backroom of the shop When he finally recovers from the concussion the body is gone and the toyshop turned mysteriously into a grocery store and Cadogan himself is accused of trespassing and stealing food Luckily for the puzzled poet his old university friend the professor of literature Gervase Fen is there ready to plunge into the midst of this mystery The Moving Toyshop first published in 1946 is Edmund Crispin's most famous novel featuring eccentric amateur detective Gervase Fen [The Moving Toyshop](#) Edmund Crispin, 1969 **The Moving Toyshop**, 1946

The Moving Toyshop Edmund Crispin, 2014 *Moving Toyshop* Edmund Crispin, 1988-09-01 Named by P D James as one of the best five mysteries of all time Richard Cadogan is at loose ends in Oxford very late at night Charmed by the window display of an old fashioned toyshop he is worried to find the door unlocked surely the owner should be alerted And so Cadogan slips into the darkened store and up the narrow stairway to the apartment above But rather than a snoring toyman he finds a very dead old lady the marks of murder still livid on her neck But when Cadogan returns with the coppers the toyshop has disappeared This it seems is a matter for Gervase Fen **The Encyclopedia of Murder and Mystery** B. Murphy, 1999-12-09 Bruce Murphy's Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance **The Complete Gervase Fen Volume 1** Edmund Crispin, 2023-08-17 **Love Lies Bleeding** Edmund Crispin, 2023-06-13 From a British mystery author known as the master of the whodunnit an amateur detective delights in solving murders at an English boys school Prof Gervase Fen of Oxford University is honored to award the prizes at the Speech Day ceremonies at Castrevenford High School As it turns out the headmaster's selection of the part time sleuth as a presenter is most fortuitous indeed For the night before the big event two of the school's staff members are murdered Of course Fen is happy to do some investigating if only to get more fodder for the crime novel he's writing Between the kidnapping the student romances and the accidental discovery of a long lost Shakespearian manuscript the eccentric Oxford don certainly gets some food for thought But that's all in a day's work for an amateur detective with a penchant for literary

Bruce Montgomery/Edmund Crispin: A Life in Music and Books David Whittle, 2017-07-05 Under his real name Bruce Montgomery 1921-1978 wrote concert music and the scores for almost 50 feature films including some of the most enduring British comedies of the twentieth century amongst them a number in the series started by Doctor in the House and the first six Carry On films Under the pseudonym of Edmund Crispin he enjoyed

equal success as an author writing nine highly acclaimed detective novels and a number of short crime stories as well as compiling anthologies of science fiction which helped to increase the profile of the genre A close friend of both Philip Larkin and Kingsley Amis Montgomery did much to encourage their work In this first biography of Montgomery David Whittle draws on interviews with people who knew the writer and composer These interviews together with in depth research provide great insight into the development of Montgomery as a crime fiction writer and as a composer in the ever demanding world of films During the late 1950s and early 60s these demands were to prove too much for Montgomery Alcoholism combined with the onset of osteoporosis and a retreat into a semi reclusive lifestyle resulted in him writing and composing virtually nothing during the last 15 years of his life David Whittle examines the reasons for Montgomery s early and rapid decline in this thoroughly researched and engagingly written biography
