The New Business Brigade Veterans Dynamic Impact On Us Business:

The New Business Brigade: Veterans' Dynamic Impact on Us Business John Ubaldi, 2015-03-18 At no other time in history since WWII have so many talented men and women been returning from foreign wars and reintegrating into the workforce. This time it's a very different economy and these returning personnel have never been more technically advanced, well trained, or leadership focused. Today's business needs this kind of creative and cooperative workforce. If nothing tempers character like conflict, then who best would embody the qualities of unwavering integrity, stalwart dedication, untrammelled creativity, and mutual cooperation than those whose character has been tested to the utmost? In his book *The New Business Brigade: Veterans' Dynamic Impact on US Business*, author John Ubaldi believes that America's best days lie still ahead of us and shows that the key to reaching America's true promise is to tap into her greatest overlooked natural resource: returning veterans. Ubaldi is a retired 30-year veteran of the United States Marine Corps with three tours of duty in Iraq and Afghanistan, author, and Civil Affairs expert, and gives the reader and business leader much insight on how to utilize this overlooked resource. Just like those who returned before them, John predicts that this newer generation of warriors is poised to make an equal and historic contribution to the dream of America fulfilling her destiny as the beacon of hope and the shining city on the hill. With veterans leading the way to greater clarity of national purpose and a deepened sense of individual and interpersonal contribution, the stage will be set for a renaissance of American values that will sweep the world, revolutionize this century, and impact all that follows.
