Seen & Not Heard Samantha Griffiths, 2001

Beginning Ethnic American Literatures Helena Grice, 2001-06-23 This text is designed to introduce students not only to ethnic American writers but also to the cultural contexts and literary traditions in which their work is situated

Teaching with Digital Humanities Jennifer Travis, Jessica DeSpain, 2018-11-15 Jennifer Travis and Jessica DeSpain present a long overdue collection of theoretical perspectives and case studies aimed at teaching nineteenth century American literature using digital humanities tools and methods Scholars foundational to the development of digital humanities join educators who have made digital methods central to their practices Together they discuss and illustrate how digital pedagogies deepen student learning The collection s innovative approach allows the works to be read in any order Travis and

DeSpain curate conversations on the value of project based collaborative learning examples of real world assignments where students combine close collaborative and computational reading how digital humanities aids in the consideration of marginal texts the ways in which an ethics of care can help students organize artifacts and how an activist approach affects debates central to the study of difference in the nineteenth century A supplemental companion website with substantial appendixes of syllabi and assignments is now available for readers of Teaching with Digital Humanities The Oxford Companion to English Literature Dinah Birch,2009-09-24 Written by a team of more than 150 contributors working under the direction of Dinah Birch and ranging in influence from Homer to the Mahabharata this guide provides the reader with a comprehensive coverage of all aspects of English literature **Chicago** Frederik Byrn Køhlert,2021-09-23 Chicago occupies a central position in both the geography and literary history of the United States From its founding in 1833 through to its modern incarnation the city has served as both a thoroughfare for the nation s goods and a crossroads for its cultural energies The idea of Chicago as a crossroads of modern America is what guides this literary history which traces how writers have responded to a rapidly changing urban environment and labored to make sense of its place in and implications for the larger whole In writing that engages with the world s first skyscrapers and elevated railroads extreme economic and racial inequality a growing middle class ethnic and multiethnic neighborhoods the Great Migration of African Americans and the city s contemporary incarnation as a cosmopolitan urban center Chicago has been home to a diverse literature that has both captured and guided the themes of modern America **Black Designers in American Fashion** Elizabeth Way,2021-07-01 From Elizabeth Keckly s designs as a freewoman for Abraham Lincoln s wife to flamboyant clothing showcased by Patrick Kelly in Paris Black designers have made major contributions to American fashion However many of their achievements have gone unrecognized This book inspired by the award winning exhibition at the Museum at FIT uncovers hidden histories of Black designers at a time when conversations about representation and racialized experiences in the fashion industry have reached all time highs In chapters from leading and up and coming authors and curators Black Designers in American Fashion uses previously unexplored sources to show how Black designers helped build America s global fashion reputation From enslaved 18th century dressmakers to 20th century star designers via independent modistes and Seventh Avenue workers the book traces the changing experiences of Black designers under conditions such as slavery segregation and the Civil Rights Movement Black Designers in American Fashion shows that within these contexts Black designers maintained multifaceted practices which continue to influence American and global style today Interweaving fashion design and American cultural history this book fills critical gaps in the history of fashion and offers insights and context to students of fashion design and American and African American history and culture The Souls of Mixed Folk Michele Elam,2011-02-21 The Souls of Mixed Folk examines representations of mixed race in literature and the arts that redefine new millennial aesthetics and politics Focusing on black white mixes Elam analyzes expressive works novels drama graphic narrative late

night television art installations as artistic rejoinders to the perception that post Civil Rights politics are bereft and post Black art is apolitical Reorienting attention to the cultural invention of mixed race from the social sciences to the humanities Elam considers the creative work of Lezley Saar Aaron McGruder Nate Creekmore Danzy Senna Colson Whitehead Emily Raboteau Carl Hancock Rux and Dave Chappelle All these writers and artists address mixed race as both an aesthetic challenge and a social concern and together they gesture toward a poetics of social justice for the mulatto millennium The Souls of Mixed Folk seeks a middle way between competing hagiographic and apocalyptic impulses in mixed race scholarship between those who proselytize mixed race as the great hallelujah to the race problem and those who can only hear the alarmist bells of civil rights destruction Both approaches can obscure some of the more critically astute engagements with new millennial iterations of mixed race by the multi generic cohort of contemporary writers artists and performers discussed in this book The Souls of Mixed Folk offers case studies of their creative work in an effort to expand the contemporary idiom about mixed race in the so called post race moment asking how might new millennial expressive forms suggest an aesthetics of mixed race And how might such an aesthetics productively reimagine the relations between race art and social equity in the twenty first century
