The Parisian Brothel Doctor English Edition:

Report of the 3d-4th Congress of the Sanitary Institute of Great Britain Royal Society of Health (Great Britain),1896

Nights in the Big City Joachim Schlör,1998 This elegantly written book describes the changes in the perception and experience of the night in three great European cities Paris Berlin and London The lighting up of the European city by gas and electricity in the nineteenth and early twentieth centuries brought about a new relationship with the night in respect of both work and pleasure Nights in the Big City explores this new awareness of the city in all its ramifications Joachim Schlör has spent his days sifting through countless police and church archives and first hand accounts and his nights exploring the highways and byways of these three great capitals Illustrated with haunting and evocative photographs by among others Brandt and Kertesz and filled with contemporary literary references Nights in the Big City has already been acclaimed in the German press as a milestone in the cultural history of the city Schlör is erudite and his literary style is alluring Architect's Journal *The Family Doctor* ,1883 **British Medical Journal** ,1925 *Selling Sex in the City: A Global History of Prostitution, 1600s-2000s* ,2017-08-28

Selling Sex in the City offers a worldwide analysis of prostitution since 1600 It analyses more than 20 cities with an important sex industry and compares policies and social trends coercion and agency but also prostitutes working and living conditions **Women for Hire** Alain Corbin,1990 Alain Corbin depicts prostitution in nineteenth century France not as a vice crime or disease but as a well organized business Corbin reveals how the brothel served the sex industry in the same way that the factory served manufacturing it provided an institution for the efficient and profitable sale of services

Baudelaire's Le Spleen de Paris Maria C. Scott,2017-09-29 Maria Scott's study of the operation of irony in Baudelaire's *Le Spleen de Paris* contends that the principal target of the collection's spleen is its own readership Baudelaire as one of the most perceptive cultural commentators of the nineteenth century was naturally very keenly aware of the growing dominance of the bourgeoisie in France not least as a market for art and literature Despite being dependent on this market for his own writing the poet was highly critical of bourgeois values and attitudes Scott builds on existing criticism of the collection to argue that these are indirectly mocked in *Le Spleen de Paris* often in the person of the poet's supposed textual alter ego The contention is that the prose poems betray the trust of readers by way of an apparent transparency of meaning that functions to blind us to their embedded irony Though focused on *Le Spleen de Paris* Scott's study engages with the full range of Baudelaire's writings including his art and literary criticism Her book will be of interest not only to Baudelaire scholars but also to those engaged more generally with nineteenth century French culture

Selling French Sex Elisa Camiscioli,2024-01-25 Selling French Sex is an illuminating account of the cultural social and economic history of the sale of French sex It explores the discourses and experiences surrounding the early twentieth century debate on sex trafficking which mobilized various international reform movements to combat the coerced prostitution of young women abroad According to popular legend and empirical studies French women were present in

brothels all over the world where they were the most desired and best paid in the business But were they trafficking victims or willing migrants In this timely book Elisa Camiscioli reconstructs the networks and mechanisms of cross border migrations for sexual labor elucidates women s motives for leaving and staying and explains why French migrant sexual labor occupied such a prominent place in the underworld of prostitution as well as in the imaginaries of anti trafficking campaigners immigration officials and ordinary consumers of vice *The Sexual Life of Our Time in Its Relation to Modern Civilization* Iwan Bloch,1912 **The Sexual Life of Our Time in Its Relations to Modern Civilization** Iwan Bloch,1909

Prostitution and Sexuality in Shanghai Christian Henriot,2001-04-23 Henriot portrays the sex trade in Shanghai from the life of the courtesan to street prostitution *The sexual life of our time: a complete encyclopaedia of the sexual* Iwan Bloch,1937 **Prostitution in Medieval Society** Leah Lydia Otis,2009-02-15 Prostitution in Medieval Society a monograph about Languedoc between the twelfth and sixteenth centuries is also much more than that it is a compelling narrative about the social construction of sexuality Catharine R Stimpson **Prostitution in London, with a comparative view of that of Paris and New York, etc** Michael RYAN (M.D.),1839 **Histories of French Sexuality** Nina Kushner,Andrew Israel Ross,2023-05 Covering the early eighteenth century through the present Histories of French Sexuality reveals how attention to the history of sexuality deepens changes challenges supports and otherwise complicates the major narratives of French history **The Medical Times and Gazette** ,1859 **"The" Westminster Review** ,1899 **On the Repressive Measures Adopted in Paris Compared with the Uncontrolled Prostitution of London and New York** Achille Vintras,1867 **General French and English Dictionary** Alexander Spiers,1849 *Policing Prostitution in Nineteenth-Century Paris* Jill Harsin,2019-02-19 Prostitution was a serious problem for nineteenth century Europe a threat to public health and public order and at the same time a prop to morality allowing society to protect the purity of most women by sacrificing that of only a few Jill Harsin examines the methods by which the police of Paris resolved the contradictions of this situation an extrajudicial administrative system involving the registration regular medical examination and periodic administrative detention of all working class prostitutes As the author shows this regulatory system not only deprived prostitutes of civil rights but increasingly encroached on the rights of all working women who by the standards and definitions of the police exhibited suspicious moral character Drawing on a variety of sources Professor Harsin presents statistical material on such topics as prostitutes criminality providing new evidence for an area hitherto dominated by speculation Her work challenges previous interpretations by showing a regulatory system well in place during the Restoration Jill Harsin is Assistant Professor of History at Colgate University Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase
