Everyday Grace Jessica Thompson, 2015-04-14 Your Grace Filled Guide to Relationships It's hard sometimes to get over that thing your husband said weeks ago or to resolve that tension with your colleague at work or to fix a lifelong friendship that's taken a bad turn The biggest problem with relationships is they always seem to involve sinners including ourselves So how can we form strong resilient bonds with people who like us are bound to mess up Thankfully it's not all on us Through stories and biblical teaching Jessica Thompson helps us move beyond trying to fix the people we interact with and shows us a better way Though our relationships may be marred by tension and frustration because we are welcomed and known by Christ they don't have to stay that way Nothing changes the way we relate to others more than knowing how God relates to us Knowing how God loves us and forgives us and is gracious and merciful toward us and forbears with us inevitably affects the way we think about other people My good friend Jessica Thompson has written a book that articulates who God is for us and then shows how that changes the way we are toward others Thank you Jessica for reminding me that God always meets my mess with his mercy and my failure with his forgiveness Knowing this makes me want to love God and others Tullian Tchividjian founder of Liberate and author of One Way Love Inexhaustible Grace for an Exhausted World We need grace in all our relationships So much loneliness feeling betrayed alienation anger vengeance sadness grief find their roots in relational conflict Jessica humbly guides us to see that only by being a recipient of God's grace can we be agents of grace in our relationships She does this with humor honesty and confession from her own experience not with advice as a relational guru Justin S Holcomb Episcopal priest seminary professor and author of On the Grace of God Everyday Grace is for all who have struggled to accept their children and honor their parents and initiate with their neighbors and forgive their spouses and respect their bosses and celebrate their rivals But it is not filled with practical

tips that would trivialize the difficulty of these things Nor is it a book of relational psychology that would strategize a resolution to these things Instead it is filled with the Scriptures that speak to these things helping us to rest in Christ s covering of all our relational failure and inviting us to change by the power of the Holy Spirit Nancy Guthrie Bible teacher and author Relational paradise was lost when our first parents fell into sin Our desire for change in this area is anywhere between cautiously optimistic and downright cynical What I enjoy about Everyday Grace is that Thompson simply cannot get over the one hope for true reconciliation God in Christ has befriended us Gloria Furman author of Glimpses of Grace and Treasuring Christ When Your Hands Are Full Relationships are hard We know this Jessica Thompson knows this too and shares how she fights to take her gaze off herself and onto the only one who can help our broken relationships Jesus Her method doesn t come from a list of ways to implement change rather she focuses on the gospel that transforms hearts and minds Be encouraged by the good news as you read Everyday Grace for it is the gospel that is our only Hope for our relationship problem Trillia Newbell author of Fear and Faith Finding the Peace Your Heart Craves and United Captured by God s Vision for Diversity

God's Grace for Every Family Anna Meade Harris, 2024-03-19 Winner of the 2024 Christianity Today Book Award for Marriage Family and Singleness Weaving her own story together with nine attributes of God s character revealed from Scripture Anna Meade Harris speaks to vulnerable single parents and to churches who want to love them well After the death of her husband Anna Meade Harris discovered that single parent families don t seem to have a place in the local church Because she and her kids no longer fit into the Christian family mold the body of Christ felt alien and strange when Anna s family needed it the most Belonging even in the most loving church was a challenge God s Grace for Every Family was born out of Anna s desire to help other families avoid feeling the loneliness that hers felt This gospel centered work addresses the single parent who needs to know that God sees loves and cares for their family The book also addresses the church at large in the hopes that Christians will come to understand the unique needs of single parent families and do a better job of welcoming valuing and loving them The book begins with Anna s story and then presents information about single parent families in America providing an understanding of their unique needs and complex dynamics The chapters that follow each focus on a particular area of need and contain Exegesis of Scripture demonstrating the character of God in relationship with his people Short narratives collected through interviews with single parents from a variety of backgrounds Suggestions for how the church can serve God and families This book is written for all Christians married or single parent or childless It s written for widows divorcees and those who never married And it s written for the congregants pastors leaders and church family who wants to embrace every family and learn how to serve them well By addressing families and the church together God s Grace for Every Family opens the door for gracious conversations and greater unity in the family of God

The Gospel Arc Jeff Hatton, 2021-04-13 We need more than ever to be spoken back to life again Our endless forms of self activation in the church and culture today have proven to do little more than exhaust us

make us anxious and ultimately disappoint and depress us Despite our impressive effort preaching has not escaped this prison of self entanglement Snoozing in the pew is now the good ol days as more and more people report a pathological aversion to preaching Perhaps there is a common thread leaving Jesus behind Leaving Jesus behind is the broken pattern of every human heart even the preacher s The Gospel Arc preaching model seeks to take Jesus with you in preaching It is preaching that experiences Jesus with the Bible Practically the Gospel Arc helps biblical communicators discover and display the Textual Jesus from Genesis to Revelation thereby unleashing divine energies to wake up the snoozer and finally electrify the self activator Taking Jesus with you in preaching changes everything Even preachers Can these bones live God probes the preacher Suffering from the inability to maintain a ministry the preacher gives a lame non answer Preach to bones God startles the preacher As he does stranger things happen The bones live Ezek 37 1 14

Haynes,2021-10-26 Do Christians need recovery Or is recovery something needed by the church itself Addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else But because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction Christians tend to seek recovery from these conditions in Twelve Step fellowships Once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can t church be more like an AA meeting Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve Step fellowships Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity He shows that while AA eventually separated from the Christian parachurch movement out of which it emerged it retained aspects of Christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability Haynes encourages Christians to reclaim these distinctive elements of the Twelve Step movement in the process of recovering church He argues that this process must begin with he calls Step 0 which as he knows from personal experience can be the hardest step the admission that despite appearances we are not fine
