The National Review Guide To Colleges:

The National Review College Guide Charles J. Sykes, Brad Miner, 1991 This book discusses America's top 50 Liberal Arts schools The National Review Richard Holt Hutton, Walter Bagehot, 1864 **The National Review**, 1892 **The National Review** Leopold James Maxse, 1916 *National Review's Literary Network* Stephen Schryer, 2024-01-23 National Review's Literary Network traces the careers of novelists, journalists, and literary critics who wrote for William F. Buckley Jr.'s National Review. In the 1950s, the magazine sought to establish itself as a conservative alternative to liberal journals like Partisan Review. To do so, it needed a robust book review section featuring nationally recognized writers. Between the 1950s and the 1980s, Whittaker Chambers, John Dos Passos, Hugh Kenner, Guy Davenport, Joan Didion, Garry Wills, and D. Keith Mano wrote for the magazine. The magazine boosted their careers, and they in turn helped make Buckley's version of conservatism respectable. In the pages of National Review and elsewhere, these writers fashioned a body of literary work that takes up and refracts right-wing concerns about tradition, religion, and personal liberty. Uncovering a neglected part of post-World War II American literary history, Stephen Schryer highlights these writers' enduring impact on movement conservatism. Believing in the power of intellectuals, Buckley and his fellow editors argued that the academy, the media, and other institutions had been taken over by a liberal establishment that sought to impose its ideas on the nation. They wanted to establish a network of institutional counter-circuits staffed by conservatives. The magazine's literary intellectuals contributed to this effort, helping conservatives present themselves as a counter-elite sheltering traditional humanities-based knowledge within a technocratic welfare state. In so doing, they facilitated the magazine's assault on the very possibility of expertise ushering in the fragmented epistemological landscape that has characterized the United States since the late 1960s. The National Review Anonymous, 2022-06-12 Reprint of the original first published in 1861 **National Review**, 1897 **The Myth of Political Correctness** John K. Wilson, 1995 The classics of Western culture are out, not being taught, replaced by second-rate and Third World texts. White males are a victimized minority on campuses across the country thanks to affirmative action. Speech codes have silenced anyone who won't toe the liberal line. Feminists, wielding their brand of sexual correctness, have taken over. These are among the prevalent myths about higher education that John K. Wilson explodes. The phrase "political correctness" is on everyone's lips on radio and television and in newspapers and magazines. The phenomenon itself, however, has been deceptively described. Wilson steps into the nation's favorite cultural fray to reveal that many of the most widely publicized anecdotes about PC are in fact more myth than reality. Based on his own experience as a student and in-depth research, he shows what's really going on beneath the hysteria and alarmism about political correctness and finds that the most disturbing examples of thought policing on campus have come from the right. The image of the college campus as a gulag of left-wing totalitarianism is false, argues Wilson, created largely through the exaggeration of deceptive stories by conservatives who hypocritically seek to silence their political opponents. Many of today's most controversial topics are here.

multiculturalism reverse discrimination speech codes date rape and sexual harassment So are the well recognized protagonists in the debate Dinesh D Souza William Bennett and Lynne Cheney among others In lively fashion and in meticulous detail Wilson compares fact to fiction and lays one myth after another to rest revealing the double standard that allows conservative correctness on college campuses to go unchallenged *The Canadian Monthly and National Review* ,1872 *The National Review* ,1948 **The Canadian Monthly and National Review** Graeme Mercer Adam,George Stewart,1876 *The National Review, China* ,1914 *New York Magazine* ,1995-10-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Turning Right in the Sixties** Mary C. Brennan,2000-11-09 Ideologically divided and disorganized in 1960 the conservative wing of the Republican Party appeared to many to be virtually obsolete However over the course of that decade the Right reinvented itself and gained control of the party In *Turning Right in the Sixties* Mary Brennan describes how conservative Americans from a variety of backgrounds feeling disfranchised and ignored joined forces to make their voices heard and by 1968 had gained enough power within the party to play the decisive role in determining the presidential nominee Building on Barry Goldwater s short lived bid for the presidential nomination in 1960 Republican conservatives forged new coalitions began to organize at the grassroots level and gained enough support to guarantee Goldwater the nomination in 1964 Brennan argues that Goldwater s loss to Lyndon Johnson in the general election has obscured the more significant fact that conservatives had wrested control of the Republican Party from the moderates who had dominated it for years The lessons conservatives learned in that campaign she says aided them in 1968 and laid the groundwork for Ronald Reagan s presidential victory in 1980 **When Power Corrupts** Lionel Stanley Lewis, *When Power Corrupts* details the conflict between the governing board and administration and faculty at Adelphi University in Garden City New York between 1985 and 1996 BOOK JACKET *Millard's China National Review* ,1919 **Guide for Audits of National Direct Student Loan Program (NDSL), College Work-Study Program (CWS), Supplemental Educational Opportunity Grants Program (SEOG)** United States. Department of Health, Education, and Welfare. Audit Agency,1978 **We Are All Shipwrecks** Kelly Grey Carlisle,2017-09-05 AS SEEN ON DR OZ Moving and complex this is an exquisitely written tale of perseverance and unconditional love A worthwhile addition to any collection Library Journal STARRED Review A mother s murder Her daughter s redemption And the complicated past that belongs to them both Kelly always knew her family was different She knew that most children didn t live with their grandparents and that their grandparents didn t own porn stores Her classmates didn t sleep on a boat in the L A harbor and she knew their next door neighbors probably weren t drug addicts and johns She knew that most of her
