Volume 3**

Albrecht Classen, 2015-08-31 A follow up publication to the Handbook of Medieval Studies this new reference work turns to a different focus medieval culture Medieval research has grown tremendously in depth and breadth over the last decades Particularly our understanding of medieval culture of the basic living conditions and the specific value system prevalent at that time has considerably expanded to a point where we are in danger of no longer seeing the proverbial forest for the trees The present innovative handbook offers compact articles on essential topics ideals specific knowledge and concepts defining the medieval world as comprehensively as possible The topics covered in this new handbook pertain to issues such as love and marriage belief in God hell and the devil education lordship and servitude Christianity versus Judaism and Islam health medicine the rural world the rise of the urban class travel roads and bridges entertainment games and sport activities numbers measuring the education system the papacy saints the senses death and money **Philosophy in The Twilight Zone** Noël Carroll, Lester H. Hunt, 2009-05-04 Utilizing a series of essays examining the broad philosophical concepts embedded in Rod Serling's series The Twilight Zone Philosophy in The Twilight Zone provides a platform for further philosophical discussion Features essays by eminent contemporary philosophers concerning the over arching themes in The Twilight Zone as well as in depth discussions of particular episodes Fuses popular cult entertainment with classical philosophical perspectives Acts as a guide to unearthing larger questions from human nature to the nature of reality and beyond posed in the series Includes substantial critical and biographical information on series creator Rob Serling

Dreams in American Television Narratives Cynthia Burkhead, 2013-05-23 Dreams in Television Narratives is the first comprehensive analysis of one of American television's most frequently utilized tropes the dream From its beginning television has been a storytelling medium Whether delivered to a live audience or played out on a sound stage narratives and those who write them have always been the crux of the television program While film can claim a long history of scholarly inquiry into the connection between film and dreams no comprehensive research exists on the subject of television dreams Locating its primary function as narrative the author uses examples from American sitcoms and dramatic programs analyzing the narrative functions of dreams using as its frame Carl Jung's narrative stages of the dream exposition development culmination and conclusion While television dreams are analyzed throughout case studies of the television programs The Sopranos and Buffy the Vampire Slayer are included to show in detail how dreams function throughout a television series Includes a compendium of over 1000 television episodes that include dreams a valuable tool for any television scholar or

enthusiast **The Ends of the Body** Jill Ross, Suzanne Conklin Akbari, 2013-01-01 Drawing on Arabic English French Irish Latin and Spanish sources the essays share a focus on the body's productive capacity whether expressed through the flesh's materiality or through its role in performing meaning The collection is divided into four clusters Foundations traces the use of physical remnants of the body in the form of relics or memorial monuments that replicate the form of the body as foundational in communal structures Performing the Body focuses on the ways in which the individual body functions as the medium through which the social body is maintained Bodily Rhetoric explores the poetic linkage of body and meaning and Material Bodies engages with the processes of corporeal being ranging from the energetic flow of humoral liquids to the decay of the flesh Together the essays provide new perspectives on the centrality of the medieval body and underscore the vitality of this rich field of study **Literature** Louis Markos, 2012-06-30 Enjoying poetry and novels can seem irrelevant and out of touch in a world of texting tweeting and blogging But even in this technological age literature matters Seasoned professor Louis Markos invites us into the great literary conversation that has been taking place throughout the ages and illuminates the wisdom to be found therein He offers both a guide to studying and understanding literature especially poetry and an inspiring look at what it means to think like poets and view the world through literary eyes This book holds out a truth for all that the understanding and appreciation of literature draws us closer to God his Word and his work in the world *A Sea of Stories* Sonya L. Jones, John P. De Cecco, 2000 *A Sea of Stories* is a collection of personal narratives that explores homosexuality in U S history and how this shaped literature Some of the story topics you will explore include sex and sin in the South selling gay literature before Stonewall stories of queer youth growing up gay in India two grooms and much more

The Western Landscape in Cormac McCarthy and Wallace Stegner Megan Riley McGilchrist, 2012-06-25 The western American landscape has always had great significance in American thinking requiring an unlikely union between frontier mythology and the reality of a fragile western environment Additionally it has borne the burden of being a gendered space seen by some as the traditional virgin land of the explorers and pioneers subject to masculine desires and by others as a masculine space in which the feminine is neither desired nor appreciated Both Wallace Stegner and Cormac McCarthy focus on this landscape and environment its spiritual narrative symbolic imaginative and ideological force is central to their work In this study McGilchrist shows how their various treatments of these issues relate to the social climates pre and post Vietnam era in which they were written and how despite historical discontinuities both Stegner and McCarthy reveal a similar unease about the effects of the myth of the frontier on American thought and life The gendering of the landscape is revealed as indicative of the attempts to deny the failure of the myth and to force the often numinous western landscape into parameters which will never contain it Stegner's pre Vietnam sensibility allows the natural world to emerge tentatively triumphant from the ruins of frontier mythology whereas McCarthy's conclusions suggest a darker future for the West in particular and America in general However McGilchrist suggests that the conclusion of McCarthy's *Border Trilogy* upon

which her arguments regarding McCarthy are largely based offers a gleam of hope in its final conclusion of acceptance of the feminine

The Norton Anthology of World Literature Professor Emeritus of Near Eastern Studies Jerome W Clinton, PH D, F. Abiola Irele, Heather James, Stephen Owen, Sarah Lawall, Lee Patterson, Indira Viswanathan Peterson, Edgar Shannon Professor and Chair Department of English Patricia Meyer Spacks, PH D, William G. American Secrets Eduardo Barros-Grela, José Liste-Noya, 2011-08-25 Predicated upon the principles of political freedom cultural openness religious tolerance individual self reliance and ethnic diversity the United States of America has been tempted recurrently by the lures of the secret American Secrets explores this political historical and cultural phenomenon from many often surprisingly overlapping angles in these analyses of the literary and cultural uses and abuses of secrecy within a democratic culture Through analyses of diverse literary works and cultural manifestations from Mark Twain's anti imperialist prophecies to 9 11 conspiracy theories from the traumas of the Vietnam war to the homophobia of the American military establishment from the unresolved dilemmas of nuclear politics to the secret ecologies shunted aside by the exploitation of the environment from the questionings of national identity on the ethnic and trans sexual margins to the confessional modes of poetry and the poetics of the unspeakable and unrepresentable these essays reveal the politics within the poetics and indissociably the poetics fueling the politics of secrecy in its ambivalent deployment Secrecy often seems to be a question without an answer or an answer that either seems to beg the question or to be a question itself These essays address this paradox with their own questioning explorations In answering such questions the volume as a whole provides an illuminating overview of the pervasiveness of the secret and its modalities in American culture while also dealing specifically with the poetics of the secret in its various historically recurrent literary manifestations

Wallace Stegner and the Continental Vision Curt Meine, 1997-09 Wallace Stegner 1909 1993 was in the words of historian T H Watkins a walking tower of American letters Winner of the Pulitzer prize and the National Book Award for fiction founder of the Stanford Writing Program recipient of three Guggenheim fellowships and innumerable honorary degrees Stegner was both a brilliant writer and an exceptional teacher Wallace Stegner and the Continental Vision brings together leading literary critics historians legal scholars geographers scientists and others to present a multifaceted exploration of Stegner's work and its impact and a thought provoking examination of his life Contributors consider Stegner as writer as historian and as conservationist discussing his place in the American literary tradition his integral role in shaping how Americans relate to the land and his impact on their own personal lives and careers They present an eclectic mix of viewpoints as they explore aspects of Stegner's work that they find most intriguing inspiring and provocative Jackson J Benson on the personal qualities that so distinctively shaped Stegner's writings Walter Nugent on the historical context of Stegner's definition of the West T H Watkins on Stegner's contributions

to the modern conservation movement Terry Tempest Williams on Stegner's continuing importance as an elder in the community of writers he nurtured Other contributors include Dorothy Bradley John Daniel Daniel Flores Melody Graulich James R Hepworth Richard L Knight Curt Meine Thomas R Vale Elliott West and Charles F Wilkinson Wallace Stegner and the *Continental Vision* is an illuminating look at Stegner's many and varied contributions to American literature and society Longtime admirers of Stegner will appreciate it for the new perspectives it provides while readers less familiar with him will find it a valuable and accessible introduction to his life and work

On Anthologies Jeffrey R. Di Leo, 2004-01-01 Over the course of the past twenty five years anthologies have shifted from playing a relatively minor role in academic culture to a position of dominance The essays in this collection explore the significant intellectual economic political pedagogical and creative resonance of anthologies through all levels of academic life They show that anthologies have consequences and are grounded in commitments Striving to articulate these consequences and commitments is a priority in higher education today Most of the contributors to this volume are editors of anthologies and they draw on personal experiences to provide a rare glimpse into the economics and logic of anthology publication Their essays illustrate the ways in which editing an anthology involves negotiation and compromise between intellectual ideal and realistic practice *On Anthologies* includes discussion of a wide range of anthologies used and produced by teachers and scholars Though the emphasis is on literature and theory anthologies the insights in this volume speak to professionals in all areas of academic life Collectively these essays establish the foundation for continuing critical analysis of anthology production and consumption in all disciplines
