The Parable Of The Sheep And The Goats Matthew 25 340:

A Mediator in Matthew Craig D. Saunders, 2021-03-01 What is a consistent theological meaning of the Son of Man in the Gospel of Matthew For a suitable response it is essential to analyze all thirty Son of Man logia in their relative literary contexts and in relationship to the gospel as a whole Also to bring out the uniqueness in Matthew's portrayal of the Son of Man a comparison with the other Synoptic Gospels aids the investigation This work argues that the answer lies in the role of the Son of Man in the first Gospel In Matthew Jesus the Son of Man functions as mediator of God's will to his genuine disciples As the Son of Man journeys through his earthly life climaxing in his death and resurrection Jesus mediates God's will through his message and works and by exhibiting active obedience to his Father in the heavens Jesus's genuine disciples learn how to emulate the Son of Man's character and ministry enabling them to continue it in their future mission At his parousia the Son of Man will mediate God's promised vindication and reward for his genuine disciples who have proven their fidelity to Jesus and God's will

The Devil's Redemption : 2 Volumes Michael J. McClymond, 2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone

Restoring the Honour of His Name Arthur Eedle, 2011-08-15 The authors have sought to identify theological topics which the Church has misapplied misunderstood or passed over in respect of the future judgment of all mankind and which when examined cast dishonour on the Lord's name Establishing the theology of God's Total Victory over sin and the Devil failure of Universalism Examination of Creeds the everlasting problem Legal Requirements of Christ's Death for whom did Christ die Sheep and Goats the Rich man and Lazarus Firstborn and Firstfruits Confession Fire Brimstone and Torment Hell and the Lake of Fire The authors do not assume that they have all the answers but have set forth the results of their own extensive studies They hope their writings will engender deeper thought and greater enlightenment to those who have been troubled by the problems and misunderstandings found within the words conscious everlasting torment

Searching for Jesus Robert J. Hutchinson, 2015-10-27 For more than a century Bible scholars and university researchers have been systematically debunking what ordinary Christians believed about Jesus of Nazareth But what if the most recent Biblical scholarship actually affirmed the New Testament What if Jesus was not a Zealot

revolutionary or a Greek Cynic philosopher or a proto feminist Gnostic but precisely what he claimed to be the divine Son of Man prophesied in the Book of Daniel who gave his life as a ransom for many What if everything the Gospels say about Jesus of Nazareth his words his deeds his plans turned out to be true Searching for Jesus changes what if to what is debunking the debunkers and showing how the latest scholarship supports orthodox Christian belief

Systematic Theology Wolfhart Pannenberg, 1991 The publication of Volume 3 of German theologian Wolfhart Pannenberg's *Systematic Theology* completes the English edition of a work that will surely come to stand as one of the lasting theological statements of the twentieth century

In the Highest Degree: Volume Two P. H. Brazier, 2018-10-31 The theological and philosophical works of C S Lewis were grounded in the argument from reason being a form of revelation that predates nature and relates to the divine i.e. the Word of God Christ the Logos These essays provide some understanding of the essentials to Lewis's philosophical theology that is the *essentia* in the highest degree Lewis's corpus can seem disparate but here we find unity in his aims objectives and methodology a consistency that demonstrates the deep roots of his philosophical theology in Scripture Greek philosophy patristic and medieval theology and some of the Reformers all framed by a reasoned discipline from a perceptive and critical mind method and form content and reason for the glory of God From an analysis of reason to the evidence of Christ as the light of the world across human endeavors and religions a doctrine of election and an understanding of Scripture the Philosophy of the Incarnation as Lewis termed it in fundamental arguments with various modern liberal theologians we find evidence for the actuality of the incarnation the divinity of Christ

Stories with Intent Klyne Snodgrass, 2008-01-11 *Stories with Intent* offers pastors and students an accessible and comprehensive guide to Jesus parables Klyne Snodgrass explores in vivid detail the context in which these stories were told the purpose they had in Jesus message and the ways they have been interpreted by the church and modern scholarship While holding a consciously evangelical approach Snodgrass deals throughout with a broad spectrum of opinions and interpretations He begins by surveying the primary issues in parables interpretation Offering both a new more functional classification system for Jesus parables and guidelines for interpreting them he provides an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world The remaining chapters group the longer and more important parables of Jesus thematically and give a comprehensive treatment of each including background and significance for today

Carlston,Craig A. Kettler,2019-11-12 Can there be a greater folly than writing a book about love But how can we avoid that most basic of all desires and commands Yet we are very poor lovers as our history demonstrates If God is love though can we find help in considering the love of Jesus Christ and the love of Jesus thought of in terms of what T F Torrance called the vicarious humanity of Christ This would mean that we realize our inability and the Son of God s ability to love on our behalf and in our place Such a love mirrors the love of the Son for the Father in the Spirit a love that reflects his eternal triune love Therefore could we have new perspectives on our relationships the love of ourselves of God and the neighbor How essential is love to being human and what kind of love What does it mean to love your enemies What is the relationship between justice and love And what are the fruits of love the evidence of genuine love Christian D Kettler explores these issues in the context of the living reality of the vicarious humanity of Christ *The Historical Jesus in Recent Research* James D. Matthew Anna Case-Winters,2015-03-18 One of the most beloved books of the New Testament the Gospel of Matthew speaks with eloquence and power Among the Gospels Matthew paints a fuller picture of the life ministry and teachings of Jesus Anna Case Winters s incisive commentary reveals that Matthew is clearly a theological book It is about God s saving work in Jesus Christ Moreover it is presented in a way that easily lends itself to the task of teaching and preaching Case Winters highlights five themes that shape the distinctive portrait of Jesus this Gospel offers Here we see Jesus facing up to conflict and controversy ministering at the margins overturning presuppositions about insiders and outsiders privileging the powerless demonstrating the authority of ethical leadership challenging allegiance to empire and pointing the way to a wider divine embrace than many dared imagine Case Winters captures the core of Matthew s unique Gospel which speaks powerfully to the life of Christian faith today in the midst of our own issues and struggles The Theology of the Four Gospels Mel Shoemaker,2011-10 Biblical theology is the discovery and development of doctrine as found and emphasized by a specific book of the Bible Instead of beginning with a subject and then searching the scriptures broadly to assemble what may be relevant and illuminate one s understanding of that specific topic biblical theology starts with a particular author and focuses upon a specific scriptural unit The objective is to let the Bible speak for itself and discover what the original writer s wanted readers or those listening to the reading to understand Therefore New Testament biblical theology assists the student in understanding the distinctive doctrinal enrichment each book in the Christian canon brings to the collection of authoritative literature The Theology of the Four Gospels is designed to engage an individual or group in a fresh study of the teachings of Jesus and the distinctive perspectives of the Four Evangelists Matthew Mark Luke and John Even though everyone participating in the study is examining the same literature the conclusions may vary widely which may contribute to a very fruitful discussion Why should one anticipate a variety of interpretations Each person comes to the study of the Bible with prior opinions judgments and beliefs These presuppositions have been formed by our culture e g ethnicity political social economic and religious background critical knowledge educational background in history literature language natural abilities life experiences and age and character moral values belief in the supernatural human immortality accountability rational choices and spiritual maturity This is the goal to let the Four Gospels speak for themselves The theological outcome may be tentative and provisional however the reader or student becomes engaged in the process of building a sound personal theology and a steadfast living faith in Jesus Christ **Revealed Wisdom and Inaugurated Eschatology in Ancient Judaism and Early Christianity** Grant Macaskill,2007-02-28 This book examines four texts 1 Enoch 4QInstruction Matthew and 2 Enoch A common idea in these texts which blend sapiential and apocalyptic elements is that the revealing of wisdom to

an elect group inaugurates the eschatological period The emphasis on revealed wisdom is essentially apocalyptic but facilitates the uptake of motifs forms and language from the sapiential tradition and is important in explaining the fusion of the two traditions In addition revealed wisdom often has creational associations and this has significance for the notion of ethics in these texts The book will interest anyone concerned with the development of Jewish and Christian eschatology and ethics It also challenges the simplistic redactional assumptions of certain New Testament scholars *NLT Parallel Study Bible* Tyndale,2011-08-31 Discovery and Application on the Same Page for the First Time Now you don t have to choose between context and application Expository study notes help you understand the Bible like a 1st century believer Number one selling Life Application notes help you apply its truths in a 21st century world This Bible recognizes that Bible application is best done with a thorough knowledge of historical and literary context The NLT Study Bible is excellent at establishing this base The Life Application Study Bible content can then guide the reader in concrete steps toward application The New Living Translation is an authoritative Bible translation rendered faithfully into today s English from the ancient texts by 90 leading Bible scholars The NLT s scholarship and clarity breathe life into even the most difficult to understand Bible passages That s why we call it The Truth Made Clear *NLT Parallel Study Bible* Tyndale,2011-08 Discovery and Application on the Same Page for the First Time Now you don t have to choose between context and application Expository study notes help you understand the Bible like a 1st century believer Number one selling Life Application notes help you apply its truths in a 21st century world This Bible recognizes that Bible application is best done with a thorough knowledge of historical and literary context The NLT Study Bible is excellent at establishing this base The Life Application Study Bible content can then guide the reader in concrete steps toward application The New Living Translation is an authoritative Bible translation rendered faithfully into today s English from the ancient texts by 90 leading Bible scholars The NLT s scholarship and clarity breathe life into even the most difficult to understand Bible passages That s why we call it The Truth Made Clear **Eerdmans**
