**The Napoleon of Notting Hill** Gilbert Keith Chesterton, 2007-06-15 The human race to which so many of my readers belong has been playing at children s games from the beginning and will probably do it till the end which is a nuisance for the few people who grow up And one of the games to which it is most attached is called Keep to morrow dark and which is also named by the rustics in Shropshire I have no doubt Cheat the Prophet The players listen very carefully and respectfully to all that the clever men have to say about what is to happen in the next generation The players then wait until all the clever men are dead and bury them nicely They then go and do something else That is all For a race of simple tastes however it is great fun For human beings being children have the childish wilfulness and the childish secrecy And they never have from the beginning of the world done what the wise men have seen to be inevitable They stoned the false prophets it is said but they could have stoned true prophets with a greater and juster enjoyment Individually men may present a more or less rational appearance eating sleeping and scheming But humanity as a whole is changeful mystical fickle delightful Men are men but Man is a woman
