Sons and Fathers John Crosby, 2013-10-23 Father son relationships can be notoriously difficult Often fractious sometimes hostile and occasionally destructive the issue of authority is negotiated by fathers and sons in a range of styles In this fascinating new book John Crosby describes the filial relationships of 20 historical figures to illustrate the different ways they related to their fathers and what this can tell us about love authority and the wider family context Sons and Fathers is an approach to understanding this son father conflict based on early life experience rather than upon psycho historian or psycho biographical material and theorizing Each vignette is designed to be read as a biographical account but is bookended by a section reflecting on how each man s relationship to his father can be understood in the context of key developmental theories in particular those of Eric Erikson and Murray Bowen s family system theory The book also includes an extended introduction to both theorists for those unfamiliar with their work as well as a discussion of the role of corporal

punishment as a method of disciplining children From Michael Jackson to Bing Crosby Joseph Stalin to John F Kennedy this is a uniquely accessible but insightful book that will appeal to both general readers as well as students of Developmental Psychology across the lifespan Family Studies Marriage and Family therapy and related subjects It will also appeal to professionals working in the area including social workers counsellors and therapists

The Dance of Change Peter M. Senge, 2014-05-14 Since Peter Senge published his groundbreaking book *The Fifth Discipline* he and his associates have frequently been asked by the business community How do we go beyond the first steps of corporate change How do we sustain momentum They know that companies and organizations cannot thrive today without learning to adapt their attitudes and practices But companies that establish change initiatives discover after initial success that even the most promising efforts to transform or revitalize organizations despite interest resources and compelling business results can fail to sustain themselves over time That's because organizations have complex well developed immune systems aimed at preserving the status quo Now drawing upon new theories about leadership and the long term success of change initiatives and based upon twenty five years of experience building learning organizations the authors of *The Fifth Discipline* Fieldbook show how to accelerate success and avoid the obstacles that can stall momentum *The Dance of Change* written for managers and executives at every level of an organization reveals how business leaders can work together to anticipate the challenges that profound change will ultimately force the organization to face Then in a down to earth and compellingly clear format readers will learn how to build the personal and organizational capabilities needed to meet those challenges These challenges are not imposed from the outside they are the product of assumptions and practices that people take for granted an inherent natural part of the processes of change And they can stop innovation cold unless managers at all levels learn to anticipate them and recognize the hidden rewards in each challenge and the potential to spur further growth Within the frequently encountered challenge of Not Enough Time for example the lack of control over time available for innovation and learning initiatives lies a valuable opportunity to reframe the way people organize their workplaces This book identifies universal challenges that organizations ultimately find themselves confronting including the challenge of Fear and Anxiety the need to diffuse learning across organizational boundaries the ways in which assumptions built in to corporate measurement systems can handcuff learning initiatives and the almost unavoidable misunderstandings between true believers and nonbelievers in a company Filled with individual and team exercises in depth accounts of sustaining learning initiatives by managers and leaders in the field and well tested practical advice *The Dance of Change* provides an insider's perspective on implementing learning and change initiatives at such corporations as British Petroleum Chrysler Dupont Ford General Electric Harley Davidson Hewlett Packard Mitsubishi Electric Royal DutchShell Shell Oil Company Toyota the United States Army and Xerox It offers crucial advice for line level managers executive leaders internal networkers educators and others who are struggling to put change initiatives into practice

Experiencing Interactive Interpersonal Communication Alusine M. D. A., Alusine M. Kanu,

D.A.,2011-03-23 Family Therapy Alan Carr,2006-03-30 Alan Carr has once more demonstrated his unique ability to combine an encyclopaedic breadth of knowledge with clear pragmatic ideas about how to apply this knowledge in clinical practice. The 2nd edition of this book is more than just an update with new sections on common factors in therapy and on integrative models of family therapy which are particularly welcome. Ivan Eisler, Institute of Psychiatry, Kings College London, UK, Editor, Journal of Family Therapy. Carr's style of comprehensively considering different theories and approaches in a practical manner and demonstrating their integrative and cohesive properties is exceptionally helpful and grounding for the reader. There is little doubt that this volume will well serve students, trainees and experienced practitioners for some time to come. Eddy Street, Former Editor of Journal of Family Therapy. Now in its second edition, **Family Therapy: Concepts, Process and Practice** has been fully updated to cover recent advances in theory and practice. It offers a critical evaluation of the major schools of family therapy, provides an integrative model for the practice of marital and family therapy and demonstrates how this model can be used in everyday practice with a range of common child-focused and adult-focused problems. It also provides a thorough up-to-date review of research on the effectiveness of family therapy and outlines implications for evidence-based practice. This popular text now includes exercises that can be used by trainers and trainees to foster family therapy skills development. Other key features from the first edition are retained, including Chapter plans at the start of each chapter and a helpful summary of key points at the end. Suggestions for further reading, Glossary of key terms in theoretical chapters, Case examples. Full details of resources for professionals including useful web sites. **Family Therapy: Concepts, Process and Practice** is a must-have resource for all students and mental health professional training in family therapy. It will also be of interest to experienced practitioners and those who are involved in delivering training programmes. **Family Therapy** Janice M. Rasheed, Mikal Nazir Rasheed, Mikal N. Rasheed, James A. Marley, 2011. This text offers a straightforward comprehensive overview of both traditional and evolving theoretical models of family therapy and intervention techniques as well as a discussion of clinical issues unique to family therapy practice. Aiming to prepare students to develop beginning proficiency in family therapy, the authors outline major family therapy models in detail, including a step-by-step description of concepts, theories, skills and techniques as well as a history of each model and its conceptual and theoretical underpinnings. The text also provides extensive case illustrations of family interviews that identify the specific stages, clinical issues, concepts, theories and techniques associated with each model. This core text is designed for graduate-level courses such as Family Therapy, Marriage and Family Therapy, Marriage and Family Counseling, Family Systems Theory and Family Counseling in departments of social work, psychology, nursing, education or human services. **Leading at Light Speed** Eric F. Douglas, 2010-01-18. How do you build a great organization in a time of accelerating complexity and change? What are the specific things that leaders must do? In this fascinating book, entrepreneur and business consultant Eric Douglas draws on his work with large and small corporations, public agencies and non-profit organizations to paint a clear picture of the specific

practices that distinguish the high performers from all the rest This is an indispensable guide for anyone in a position of leadership or for anyone who aspires to be It reveals both the fundamental systems at work in high performing companies as well as the specific day to day things that leaders must do to sustain high levels of success for themselves and their organizations

An Introduction to Marriage and Family Therapy Joseph L. Wetchler, Lorna L. Hecker, 2014-08-27 Now in its second edition this text introduces readers to the rich history and practice of Marriage and Family Therapy with 32 professionals from across the US presenting their knowledge in their areas of expertise This blend of approaches and styles gives this text a unique voice and makes it a comprehensive resource for graduate students taking their first course in Marriage and Family Therapy The book is divided into three sections Part 1 focuses on the components on which 21st century family therapy is based and summarizes the most recent changes made to not only therapeutic interventions but to the very concept of family Part 2 presents an overview of the 7 major theoretical models of the field structural strategic Milan social constructionist experiential transgenerational and cognitive behavioral family therapy Each chapter in this section Focuses on the founder of the theory its theoretical tenants and its key techniques Shows how the model focuses on diversity Presents the research that supports the approach Part 3 addresses specific treatment areas that are common to marriage and family therapists such as sex therapy pre marital therapy research and ethics and legal issues As an introduction to the field of Marriage and Family Therapy this volume stands above the rest Not only will readers gain an understanding of the rich history of the field and its techniques but they will also see a complete picture of the context in which families are embedded such as gender culture spirituality and sexual orientation This knowledge is the key to understanding what differentiates Marriage and Family Therapy from individual psychotherapy Glossaries case studies tables figures and appendices appear generously throughout the text to present this information and give students a thorough overview to prepare them for their professional lives

Marriage and Family Therapy Linda Metcalf, 2011-06-23 There are many different models of marriage and family therapy the challenge for students and beginning practitioners is deciding which one best suits their individual purposes This highly practical volume elucidates the defining characteristics of 14 contemporary models including their history views of change views of family and the role of the therapist and methods of assessing family dynamics goal setting facilitating change and knowing when to terminate Each chapter also includes a template for implementing therapy models and realistic case studies many drawn from actual practice to illustrate how each model would address common issues In addition the volume includes extensive interviews with master therapists such as Albert Ellis Insoo Kim Berg Sue Johnson Susan McDaniel Derald Wing Sue and many others They share their ideas of the ways in which change occurs how they set goals and how they perform therapy For further clarification each therapist illustrates how he she would proceed via the same case study Learning how to perform effective family therapy can be an arduous process of trial and error yet this resource will ease the way for students and currently practicing family therapists
