The Nine Pillars Of Wisdom:

The Nine Pillars of Wisdom Jean-Pierre Maurice, 2013-04-15 To be a little wiser To know what we want from life and to get it To find happiness These ordinary honest aspirations often remain unfulfilled usually because we don't know which path to follow which cards to play but also because we don't truly believe in ourselves So which thread should we follow to lead us out of the labyrinth For Jean Pierre Maurice the answer is to draw inspiration from those who came before us the words and ideas they left behind those truths that have come down to us through the ages From Epicurus to Abraham Lincoln from Socrates to Aim C saire you will find here many words that have the power to transform your life to redefine the way you look at the world Accompanied by the author this book will teach you the nine fundamental rules that will enable you to find serenity The keys to success and happiness are not something that can be invented They've existed throughout history in the form of proverbs maxims aphorisms And here the author of The Nine Pillars of Wisdom rekindles them in a work that invites meditation reflection and self examination There are no soothing or bombastic speeches in this book only examples from life and phrases that signpost life and how to live it You will love reading The Nine Pillars of Wisdom [Nine Pillars of Success](#) George Mfula ,2022-03-14 Nine Pillars of Success is a worthy read I believe everyone has a destiny but not every destiny will be successful Even at the coming of our Lord Jesus Christ there will be people who will have unfulfilled destinies Hence this book is written to hand over to you the keys you need to fulfill your destiny in a grand style with unparalleled results What is destiny Destiny is your fate fortune or future as designed by God in His wisdom before you were even born You are a destiny carrier by virtue of your existence in God You existed in the mind of God even before you were born physically I believe that God has deposited in you an incomparable future which is locked up within you What you have to understand is that destiny does not start here on earth It started before you were even born into this world You are not an accident by birth Your destiny and life are a well pre arranged agenda of God That is why you don't have to create your own destiny but all you have to do is to discover or locate the details of your destiny in Christ Jesus Thus this book is written to rewrite re define and unlock your destiny Hence you can't afford but to fulfill your God ordained assignment on earth in Christ Jesus
