Peter Belohlavek

The Ontogenesis Of Evolution Peter Belohlavek:

The Ontogenesis of Evolution Peter Belohlavek,2011-07 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems The unicist ontology of evolution explains and predicts the evolution of living beings their produces and their actions in a unified field ruled by concepts and their natural laws These natural laws have been named as Ontogenetic Intelligence This evolutionary approach enables the analysis of and influence upon complex realities

The Ontogenesis of Knowledge Acquisition Peter Belohlavek,2011-07 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems When we talk about the ontogenesis of knowledge acquisition we mean the natural steps that need to be considered when learning or when a learning process for other is being designed Knowledge can only be acquired when individuals have made a conscious decision to learn something

Development of Consciousness Through Action Peter Belohlavek,2012-03-19 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems The discovery of the unicist ontology of consciousness and the development of its ontogenetic map opened the possibilities to manage adaptive systems for everyone It allows individuals to develop their level of consciousness expanding their possibilities to diagnose build strategies and develop structural solutions in the real world

Unicist Business Objects Building Peter Belohlavek,Diego Belohlavek,2011-07 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems Unicist Business Objects are adaptive systems that are designed to produce a predefined result in a process By definition they deal with the adaptive aspects of businesses There are five types of business objects which are the drivers the entropy inhibitors the inhibitors the catalysts and the gravitational objects

Unicist Reflection: to focus on solutions Peter Belohlavek,2011-09-07 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems Unicist Reflection has been developed to deal with complex human adaptive systems such as businesses to develop scenarios diagnoses and strategies to achieve possible results Unicist Reflection requires having a final picture in mind It requires positive thinkers individuals who see the bottle half full not half empty

Unicist Business Diagnostics Peter Belohlavek,2011-07 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems

The unicist technology for diagnostics approaches problems based on their nature Problems turn complex when results must be achieved and require a high accuracy of the diagnoses prognoses and action plans to solve them Unicist technologies for diagnostics were developed to ensure results *Complexity Science* Peter Belohlavek,2011-07 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems Complexity Sciences deal with the research of adaptive systems and environments The unicist approach to complexity sciences implies the discovery of the ontological structure of a reality and the objects that integrate it defining the ontological algorithm and then the actions that can be done to influence such reality Unicist Country Scenario Building Peter Belohlavek,2011-07 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems To forecast and then influence the environment Unicist Anthropology has sought to explain the evolution of societies through the interaction of the driving forces and the most deeply hidden regulating concepts Underlying every functional concept there are implicit cultural archetypes which gravitate towards the concept that they represent Unicist Strategy for Business Architects: The Mind of the Strategist Peter Belohlavek,2011-09-07 Unicist Strategy for Business Architects provides the fundamentals that are needed to design and develop businesses This book is about how the mind of a strategist can influence reality in the business world It will give you access to the basic laws of business the structural characteristics of strategists and the ways to avoid the building of parallel realities that drive to failure and defeat It is part of the Unicist Architecture Collection of Peter Belohlavek which synthesized the structural functionalist approach to business architecture This book covers among other subjects the unicist approach to strategy the mind of the strategist the strategic attitude the strategic ideology the strategic action the basic laws of Unicist Business Strategy Fears the strategy killers limits of the possibilities for strategy building responsibility avoidance the anti strategic approach and the antidote to anti strategies It provides the fundamentals to understand and respect the nature of the strategist to build and implement successful strategies *Unicist Marketing* Peter Belohlavek,2011-07 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems Unicist Marketing is based on the use of unicist segmentation that allows on the one hand an accurate definition of the what what for why and how a segment buys and on the other hand the transformation of this abstract knowledge into marketing objects to influence the client and expand the markets **Unicist Business Strategy** Peter Belohlavek,2011-07 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems The purpose of a business strategy is to influence the market and the

environment to achieve business goals The unicist approach defines that a strategic approach includes both a maximal strategy and a minimum strategy to adapt to the market and the environment *Peopware* Peter Belohlavek,2011-09-07 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems This book provides the necessary information to transform business architectures into operational business models Peopware is defined by the structure of objects that individuals have in their minds which define the models they use when dealing with hardware and software at work Unicist Business Therapeutics: Ontology based and Object driven Therapeutics Peter Belohlavek,2011-07 These books were written as consultation books to be used to solve problems They are essentially analogous to medical books for individuals who decided to manage the concepts and fundamentals of things in order to manage the root causes of problems Here you will find all the fundamentals you need to manage when solving structural problems in businesses It is usable by all those who can see organizations as entities with independent life from their members It requires dealing with the needs of shareholders stakeholders and the markets and considering these agents as interdependent entities **Unicist R&D of Adaptive Systems in Business** Peter Belohlavek,2012-03-19 This book is focused on the R D of the adaptive systems of businesses in order to develop and design solutions for them It provides the technology to research and develop solutions for growth innovation and improvement of business processes It integrates applied research and architectural design It starts with a research process where the solutions need to be confirmed and ends with a design process developing the architecture of a business business process or business unit The research process is homologous to the clinical trials that are developed in medicine What needs to be confirmed is the efficacy the solution provides the security and safety of the process and the side effects the solution produces The solution needs to be considered as a unified field with the system in order to confirm the validity of the remedy The first step of an R D process is being able to apprehend the unified field of a business After this has been achieved a diagnosing process can begin This work shows that the solution has to be designed and built considering its utility aesthetics and solidity That is why an extreme design process is used Unicist XD that includes several pilot tests to ensure the functionality of the solution **Unicist Business Architecture** Peter Belohlavek,2012-03-19 This book proposes to enter the world of unicist business architecture in order to be able to transform the idea of the concept of a business into business processes This implies the integration of diagnoses strategies and architecture Unicist Business Architects need to integrate the facts of a business and of its contexts with the needs of customers stakeholders and shareholders and with the possibilities of the available technologies This implies necessarily the use of creativity Business architects need to go beyond factual knowledge in order to use their art to develop solutions that go beyond an if and then thinking process The nature of architects can be defined by the integration of their need to do the focus on what is being built their inner freedom in order to be able to use their art with a natural credibility in

order to start by believing to see to imagine solutions that are not preexisting This book is for individuals who are responsible for designing business architecture They are the ones that need to be able to apprehend diagnoses and strategies considering their fundamental and technical analytical aspects This book provides the necessary ontogenetic maps to design and build the business architecture *Unicist Organization* Peter Belohlavek,2011-07 Unicist Organization is a consultation book for business architects that need to make accurate diagnoses and design adaptive organizational processes There are two possible languages in consultation books one for patients and one for doctors This is a book for doctors It fosters the Ontology based and Object driven Organization in organizational design This book is part of the Collection of the Unicist R D books that were developed by Peter Belohlavek synthesizing the ontological researches that began in 1976 It provides an ontology based and object driven approach to organizations regarding them as a complex adaptive system This book goes into the depth of human complex adaptive behavior It covers among other subjects institutionalization the unicist ontology of family businesses business organization the natural organization structural diagnostics natural models in business evolution the client centered management model the personalized organization the unicist ontology of outsourcing insourcing business catalysts business synergy the unicist ontology of object driven organization and object driven management business cybernetics the ontology of leadership quality assurance continuous improvement change management big change management research and innovation principles of organizational equilibrium **Introduction to Unicist Business**

Architecture Peter Belohlavek,2011-09-07 Introduction to Unicist Business Architecture is a fundamental book for individuals who are responsible for designing modeling or organizing businesses It provides an introduction to a structural functionalist approach to architecture that allows managing the integration of the ontological structures of a business to deal with it as an adaptive system with the functional operational processes that makes a business happen It is part of the Unicist Architecture Collection of Peter Belohlavek which synthesized the structural functionalist approach to business architecture It covers among other subjects analogy between functional architecture IT architecture and Business architecture Unicist Business Architecture the unified field businesses managed as unified fields transforming unified fields into operational actions unicist ontology of the apprehension of a unified field in business the nature of adaptive systems for work taxonomy for the design of an adaptive system s work process unicist business process modeling unicist business objects design Unicist Back2Back methodology unicist design taxonomy the unicist ontology of figurative communication at work hyperrealism in business business platforms an application of Unicist Business Architecture 5 click strategy an example of the use of a unified field in business **Introduction to Unicist Econometrics** Peter Belohlavek,2007-10 Ceteris Paribus is a natural response to conjunctural economic decisions The unicist ontology of evolution provided the structural conceptual tools to develop economic applications Unicist econometrics provides the structural knowledge to build long term economic forecasts and short term analysis to predict evolution It destroys the ceteris paribus thinking as a fallacious short cut to develop solutions

that sound logical Unicist Econometrics provides the reliable models to diagnose and influence micro and macroeconomics melting their boundaries in a sole unified field human s economic behavior The integration of the unicist approach with conventional econometrics made diagnostics of countries markets and businesses highly reliable While Fundamentals provide the limits of the actual possibilities and catalyze trends Technical Analysis provides the information that ensures short term prognostics and the monitoring of the triggers and drivers of evolution The unicist approach helps to define the possibilities and conventional econometrics defines the operational probabilities Unicist Econometrics solved the limitation of the dualistic approach of econometrics It included an integrative dimension based on the unicist ontology of evolution that made an approach to the nature of economics possible It includes the unicist ontology of price elasticity of demand that has been researched to influence its nature

The Ethic of Foundations Peter Belohlavek, 2008-05 Foundation building is a magic tool to opportunities Only fundamentalists subjectivists and relativists cannot stand foundation based arguments You will learn that foundations must be reasonable understandable and provable by your counterpart This opens a world of opportunities but at the same time it establishes the limits of who to talk with By using the ethic of foundations in your group you will promote its upward leveling The ethic of foundation is the spinal cord of globalization and sustainable development This book will give you the opportunity to learn about what is behind putting ethical intelligence into practice and to profit from it Dependency domination and marginality attitudes represent an obstacle to the existence of a sustainable globalization and development system Globalization built on common interests involves an inter dependency in which each one of its parties plays a self defined and assumed role Promoting synergy at work is one of the ways of growing towards a sustainable globalization But there is a previous condition to this the integration of knowledge among members This knowledge synergy among members is based on what is called as ethics of foundations The management of foundations enables Supporting of synergistic leadership Matching of small and big weak and strong Promotion of working value as source of richness and personal fulfillment Promotion of science and technology Promotion of justice as equality of opportunities Group synergy Upwards leveling This book includes the foundations code of ethics to be used both individually and in working groups to foster group synergy and upwards leveling

Brazil's Archetype Peter Belohlavek, 2008-05 Brazil has been and will be a growing empire with democratic rules These unique characteristics of Brazilians make them evolve to be one of the 5 leading countries in the world in the near future This book is necessary for all those who relate with Brazil with more commitment than being an alien tourist The Unicist Archetype is defined by the conceptual structure underlying a society s collective behavior Brazil is Social Capital Consistency and Growth Brazil is a world in itself There is no other country depicting the rules of the game that Brazil does nor portraying its results in the social economic and political field Its orientation toward the future the added value work as a way to assert people s identity its innovation and nationalism are components that integrate in light of a national project inserted in the culture executed by the State and managed by politicians This book

includes the unicist ontology of the Brazilian archetype

Getting the books **The Ontogenesis Of Evolution Peter Belohlavek** now is not type of challenging means. You could not isolated going later than ebook hoard or library or borrowing from your connections to admittance them. This is an very easy means to specifically get guide by on-line. This online broadcast The Ontogenesis Of Evolution Peter Belohlavek can be one of the options to accompany you once having other time.

It will not waste your time. believe me, the e-book will entirely proclaim you additional matter to read. Just invest tiny grow old to entre this on-line message **The Ontogenesis Of Evolution Peter Belohlavek** as with ease as evaluation them wherever you are now.
