**BLOOD IN THE WATER DR KUMDONG BINDUL NOSTRA**,2014 The book is about good leadership for leaders to lead by actions and not by words of lies from their mouths Leaders should be doggedly determined to give the people fair leadership Nakinostran was struck and devastated by the mercilessly cruelest earthquake disaster In the aftermath of the earthquake there were spontaneous nuclear plant meltdowns across the country The survivors watched helplessly all the nuclear plants melting down like candle waxes Nakinostran was a well developed nation with greatest leaders seen by the people as only second to God because of their excellent leadership of oneness love peace and development and equality not this fake equality we only let out of our mouths The people like any other seeing the level of devastations had different personal views doubts and fears They saw these devastations as their greatest obstacle to returning to a normal life again Most of them had lost all hopes in life because of the malignant complications of the wickedest earthquake Many people said that s it Nakinostran is finished But the doggedly determined young president Henry Rupchang was only angered and bitterly touched at heart by the deaths He had the courage and determination that the country will rise again He was undaunted He mustered what supports he could for the reconstructions of the country He continuously told his people that nothing is impossible under this cone shape

heaven that umbrellaed our earth His commitment was undiminished and despite the devastations he unflinchingly told them the nation will rise again All the leaders in the country bust the gut to reconstruct the country and with unity they worked as a people though not without some distractions from some protesters The leaders didn't lost a second in their sleep did the president succeed as in the end it was a heartwarming people
