me pry about among a quantity of mildewed and musty manuscripts and I came across this It is very interesting partially since it is a bit of hitherto unrecorded history but principally from the fact that it records the story of a most remarkable revenge and the adventurous life of its innocent victim Richard the lost prince of England In the retelling of it I have left out most of the history What interested me was the unique character about whom the tale revolves the visored horseman who but let us wait until we get to him It all happened in the thirteenth century and while it was happening it shook England from north to south and from east to west and reached across the channel and shook France The Outlaw of Torn Edgar Rice Burroughs,1981-05-01 Statement by the author Here is a story that has lain dormant for seven hundred years At first it was suppressed by one of the Plantagenet kings of England Later it was forgotten **The Outlaw of Torn** Edgar Rice Burroughs,2016-07-31 Edgar Rice Burroughs September 1 1875 March 19 1950 was an American author best known for his creation of the jungle hero Tarzan although he also produced works in many genres **The Outlaw of Torn** Burroughs Edgar Rice,2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy The Outlaw of Torn Edgar Rice Burroughg,2020-04-05 The story is set in 13th century England and concerns the fictional outlaw Norman of Torn who purportedly harried the country during the power struggle between King Henry III and Simon de Montfort Norman is the supposed son of the Frenchman de Vac once the king's fencing master who has a grudge against his former employer and raises the boy to be a simple brutal killing machine with a hatred of all things English His intentions are partially subverted by a priest who befriends Norman and teaches him his letters and chivalry towards women **The Outlaw of Torn** Edgar Rice Burroughs,2020-11-08 THE MOST FEARED WARRIOR IN ENGLAND At 17 The Greatest Swordsman in England At 18 A Price On His Head At 19 The Leader Of A Band Of A Thousand Who was this Norman of Tom Where did he come from All that anyone knew was that his blade was sharp his arm strong Then As he was about to uncover the secret of his birth he found himself in the greatest peril he'd ever known These then be my men father and together we shall fare forth upon the highways and into the byways of England to collect from the rich that living which you have ever taught me was owing US All's well my son and even as I myself would have it together we shall ride out and where we ride a trail of blood shall mark our way From now henceforth the name and fame of Norman from Torn shall grow in the land until even the King shall tremble when he hears it and shall hate and loathe ye as I have even taught ye to hate and loathe him All England shall curse ye and the blood of Saxon and Norman shall never dry upon your blade Such was the heritage of the fearless youth who became known throughout Medieval England as the Outlaw of Tom But who he really was how he fared and how his sword won him the way to his true The Outlaw of Torn birthright
