Those three levels of beauty are: Looking Beautiful (Your appearance influences your self-esteem and has major health implications). Here the docs will tell you how you can look the way you want. Feeling Beautiful (So what if you have luscious lips or gorgeous locks if your joints creak and you have the energy of a rug? The docs will tell you how to improve your energy levels, beat back your life-altering aches and pains and come to grips with some of life's toughest stresses). Being Beautiful (By improving your relationships with your loved ones as well as with others, you'll be well on your way to finding true happiness). That's the ultimate goal. Having all three levels of beauty working together so you can have a happy and healthy life. You'll start off by taking the ultra-revealing and validated YOU Q Test to help you assess where you are on your own beauty scale and where you want to be. Take the test, see how well you do, then use the book to help you improve your score. With their usual candor and honesty, Dr. Roizen and Dr. Oz break down the mechanics of beauty and explain how little adjustments in your routine can help you become a happier, healthier person. They scrutinize the beauty myths that bombard us every day and offer an unbiased perspective on which ones cause more harm than good. You will be able to revamp your beauty regimen or start a new one from scratch. They'll also take a close look at chronic pain, mood swings, low energy, and financial stresses. And they'll dive into the science of building relationships, finding happiness, and using spirituality to help you define your own levels of true beauty. Dr. Roizen and Dr. Oz act as tour guides navigating the tricky but exciting terrain of today's beauty industry. YOU: Being Beautiful is your all-inclusive ticket into the world, the real world of beauty.
