elder abuse cybercrime and hate crimes The history and theories of victimology are explored as well as definitive laws and policies strategies for intervention and future research areas **ASTD Handbook for Workplace Learning Professionals** Elaine Biech,2008-05-01 Here s the must have reference book for anyone involved in training human resources development and workplace learning Published by the most trusted name in the industry The ASTD Handbook for Workplace Learning Professionals is a required tool for all learning professionals This practical go to resource is a new contribution to the field comprising 50 chapters each authored by renowned industry practitioners The handbook offers the most up to date methodologies and practices covering the entire range of the training and development profession and also includes valuable worksheets and tools on a companion CD ROM *The Wall Street Journal* ,2005 **Trial by Media** Lieve Gies,2025-02-24 This edited collection brings together scholars from criminology law media and communication studies politics and linguistics to consider the different meanings and dimensions of trial by media Trial by media remains an under researched and under conceptualised phenomenon This book sheds new light on the complex and evolving interfaces between courts media and justice It features original analysis of high profile cases of media trials including Nicola Bulley UK Lindy Chamberlain Australia Chris Dawson Australia Sanda Dia Belgium Dragan Vasiljkovi Australia and Roman Zadorov Israel Acknowledging the risks and benefits of heightened media scrutiny of the criminal justice system the book challenges the notion that trial by media is invariably incompatible with the requirements of natural justice It also foregrounds ways in which media trials routinely occur in the absence of a legal trial arguing that there is a need to broaden and rethink the concept of trial by media The book reflects on the enduring significance of legacy media for public perceptions of the law and the disruptive impact associated with digital media Furthermore the collection considers the implications of trial by media for the integrity of court proceedings and the protection of human rights It offers an assessment of the potential demise of court reporting and its traditional bridging function between courts and public opinion *Esquire* 239 2025-07-05 24 Porsche McLaren Aston Martin 2025 25 25 21 2025 7 *Esquire* **Glass Ceilings and 100-Hour Couples** Dianna Shandy,Karine Moe,2010-02-25 When significant numbers of college educated American women began in the early twenty first century to leave paid work to become stay at home mothers an emotionally charged national debate erupted Karine Moe and Dianna Shandy a professional economist and an anthropologist respectively decided to step back from the sometimes overheated rhetoric around the so called mommy wars They wondered what really inspired women to opt out and they wanted to gauge the phenomenon s genuine repercussions Glass Ceilings and 100 Hour Couples is the fruit of their investigation a rigorous accessible and sympathetic reckoning with this hot button issue in contemporary life Drawing on hundreds of interviews from around the country original survey research and national labor force data Moe and Shandy refocus the discussion of women who opt out from one where they are the object of scrutiny to one where their aspirations and struggles tell us about the far broader swath of American women who continue to juggle paid work and family Moe and

Shandy examine the many pressures that influence a woman's decision to resign, reduce or reorient her career. These include the mismatch between child care options and workplace demands, the fact that these women married men with demanding careers, the professionalization of stay-at-home motherhood and broad failures in public policy. But Moe and Shandy are equally attentive to the resilience of women in the face of life decisions that might otherwise threaten their sense of self-worth. Moe and Shandy find, for instance, that women who have downsized their careers stress the value of social networks of running with a pack of smart women who've also chosen to emphasize motherhood over paid work. Fight to Win A.J. Withers, 2021-11-10T00:00:00Z

AJ Withers draws on their own experiences as an organizer, extensive interviews with the Ontario Coalition Against Poverty (OCAP) activists and Toronto bureaucrats and freedom of information requests to provide a detailed account of the work of OCAP. This book shows that poor people's organizing can be effective even in periods of neoliberal retrenchment. Fight to Win tells the stories of four key OCAP homelessness campaigns: stopping the criminalization of homeless people in a public park, the fight for poor people's access to the Housing Shelter Fund, a campaign to improve the emergency shelter system and the City's overarching but inadequate Housing First policy and the attempt by the City of Toronto to drive homeless people from encampments during the COVID pandemic. This book shows how power works at the municipal level, including the use of a multitude of demobilization tactics, devaluing poor people as sources of knowledge about their own lives and gaslighting poor people and anti-poverty activists. AJ Withers also details OCAP's dual activist strategy: direct action casework coupled with mass mobilization for both immediate need and long-term change. These campaigns demonstrate the validity of OCAP's longstanding critiques of dominant homelessness policies and practices. Each campaign was fully or partially successful; these victories were secured by anti-poverty activists through the use of and the threat of direct disruptive action tactics. A Time for Wisdom Paul T. McLaughlin, Mark R. McMinn, 2022-03-14

These are volatile times. Fear, suspicion and cynicism are chronic. A mere tweet inflames the passions of millions while click-bait hot takes stoke the amygdalas of everyone with an Internet connection. We treat those not in our tribe as a threat and deem anyone with a different opinion as evil. Mistaking myopia for measure, we lack all sense of proportion in our judgments. We are shortsighted, mired in the present, ignorant of history and blind to the future. We thought that technology would save us by connecting us to each other and the world's information. Instead, it enticed our vices, encouraged our biases and eroded the one virtue we need now more than ever: wisdom. A Time for Wisdom is for readers who feel beleaguered by the incivility of the modern world, dispirited by its coarse rhetoric and toxic partisanship. It is an invitation to escape the shallow cacophony and restore peace and perspective to our daily lives. Written by two psychologists, the book takes the best scientific research on wisdom and integrates it with timeless concepts that have for ages guided troubled souls through life's hardships. From this foundation, the authors present four steps we can follow to practice wisdom in the 21st Century: Receiving knowledge, Practicing detachment, Experiencing tranquility, Cultivating transcendence. These are profound and spiritual principles that

can bring us immense satisfaction when we aspire to live by them In *A Time for Wisdom* the authors show us how They commend a course of action towards the Good the True and the Beautiful towards calm and clear moral reasoning They lead us out of the circus of contemporary life and show us a path beyond our petty self centeredness By journeying along that path we can like the great sages and scientists before us rise above the immediacy of the moment and partake of the numinous and the infinite

Recoding the Boys' Club Daniel Kreiss,Kirsten Adams,Jenni Ciesielski,Haley Fernandez,Kate Frauenfelder,Brinley Lowe,Gabrielle Micchia,2020-08-18 This book offers the first in depth look at the employment patterns and work experiences of women working in political technology in the United States Drawing on a unique dataset of 1004 political tech staffers and interviews with 45 women who worked on presidential campaigns between 2004 2016 this book reveals the underrepresentation of women in political technology especially leadership positions as well as the struggle women face to have their voices heard within the boys clubs and bro cultures of the field The book aims to help political practitioners create more gender equitable and inclusive workplaces ones that value the ideas and skills of all those who work to get candidates elected

The New Right Michael Malice,2019-05-14 The definitive firsthand account of the movement that permanently broke the American political consensus What do internet trolls economic populists white nationalists techno anarchists and Alex Jones have in common Nothing except for an unrelenting hatred of evangelical progressivism and the so called Cathedral from whence it pours forth Contrary to the dissembling explanations from the corporate press this movement did not emerge overnight nor are its varied subgroups in any sense interchangeable with one another As united by their opposition as they are divided by their goals the members of the New Right are willfully suspicious of those in the mainstream who would seek to tell their story Fortunately author Michael Malice was there from the very inception and in *The New Right* recounts their tale from the beginning Malice provides an authoritative and unbiased portrait of the New Right as a movement of ideas ideas that he traces to surprisingly diverse ideological roots From the heterodox right wing of the 1940s to the Buchanan Rothbard alliance of 1992 and all the way through to what he witnessed personally in Charlottesville *The New Right* is a thorough firsthand accounting of the concepts characters and chronology of this widely misunderstood sociopolitical phenomenon Today s fringe is tomorrow s orthodoxy As entertaining as it is informative *The New Right* is required reading for every American across the spectrum who would like to learn more about the past present and future of our divided political culture

The Way We Build Mark Erlich,2023-07-18 The construction trades once provided unionized craftsmen a route to the middle class and a sense of pride and dignity often denied other blue collar workers Today union members still earn wages and benefits that compare favorably to those of college graduates But as union strength has declined over the last fifty years a growing non union sector offers lower compensation and more hazardous conditions undermining the earlier tradition of upward mobility Revitalization of the industry depends on unions shedding past racial and gender discriminatory practices embracing organizing diversity and the new immigrant workforce and preparing for technological changes Mark Erlich blends long view history with his personal experience inside the building trades to explain one of our economy s least understood sectors Erlich s multifaceted account includes the dynamics of the industry the backdrop of union policies and powerful stories of everyday life inside the trades He offers a much needed overview of construction s past and present while exploring roads to the future

The Journalism Behind Journalism Gina Baleria,2021-08-11 Today s journalists need to know both the skills of how to write interview and research as well as skills that are often thought of as more intangible This book provides a practical how to approach for developing honing and practicing the intangible skills critical to strong journalism Individual chapters introduce journalism s intangible concepts such as curiosity empathy implicit bias community engagement and tenacity relating them to solid journalistic practice through real world examples Case studies and interviews with industry professionals help to further establish connections between concept and practice and mid chapter and end of chapter exercises give the reader a concrete pathway toward developing these skills The book offers an important perspective for the modern media landscape where any journalist seeking to make an impact must know how to contextualize events hold power to account and inform their community to contribute to a healthy democracy This is an invaluable text for courses in journalism skills at both the undergraduate and graduate level and anyone training the next generation of journalists

Assessing Trauma in Forensic Contexts Rafael Art. Javier,Elizabeth A. Owen,Jemour A. Maddux,2020-02-29 This book examines the different ways that trauma is involved in the lives of those who interact with the justice system and how trauma can be exacerbated in legal settings It includes both victims and perpetrators in providing a perspective on trauma in general and a framework that will guide those who evaluate and treat individuals in forensic settings Comprehensive in scope it covers key areas such as developmental issues emotions

linguistic and communication difficulties and special populations such as veterans immigrants abused women incarcerated individuals and children The main objective of this book is to bring trauma to the fore in conducting forensic evaluations in order to understand these cases in greater depth and to provide appropriate interventions for a range of problems This masterful book edited by Rafael Art Javier Elizabeth Owen and Jemour A Maddux is a refreshing original and thoughtful response to these needs demonstrating beyond any doubt why lawyers and forensic mental health professionals must be trauma informed in all of their relevant work Michael L Perlin Esq New York Law School **Letters to a Young**

Theologian Henco van der Westhuizen,2022-02-25 Theology is for many far more than a profession It is an identity a passion a way of life While books on theology are countless books on the identity of the theologian are all too rare In this helpful volume Henco van der Westhuizen has assembled an outstanding and diverse array of theologians who each offer their wisdom and reflection on what it means to be a theologian through a letter written to someone considering the field Each letter is as unique as its author and together they form a rich symphony on the art and craft of being a theologian
