The following description contains spoilers for the first book. What's the point of being a princess if the whole kingdom hates you? Being a royal should make my life easier but it only compounds my problems. When my father, the new King of Valora, succeeded the beloved King Tiberius, many of his subjects believed he killed my uncle just to gain the throne. His new policies only make the people hate him more. Just my luck they transfer their loathing onto me. Even my best friend and my boyfriend aren't enough of a buffer and I'm continually fending off verbal and sometimes physical attacks. That's when my powers start growing. When no one at the academy can or will help me learn about my new abilities I begin to research them on my own. Modern answers seem to be entwined with a terrifying ancient legend. If the lore is true my destiny is far more tragic than my present problems. And I don't know if I can change it. Or if I should even try. Mermaid's Heart is part of a young adult paranormal mermaid series that features thrilling new mermaid lore, gripping supernatural drama, surprising twists, dynamic characters, page-turning suspense and angsty romance. It's written by Stacy Claflin, a two-time USA Today bestselling author. In her day job Holly Castas is a researcher who studies mythology, ducks the occasional catapult and might have bubonic plague growing in her office fridge. At night she dons a princess frock and dodges wildly waving tinfoil swords all in the name of telling a good story. It's a satisfying life and a happy one. Until the dreams come. Until she learns that she is all that stands between an ancient curse and stakes she can't possibly believe. An academic, a medieval kitchen girl and a thousand-year-old siren. None of them want the destiny they share. **Selena Flowers and the Cursed Ruby (Book 1 the Merblood Saga)** Ella English, 2024-06-05 The Little Mermaid meets dark fantasy with magic, zombie mermaids and adventure so thrilling you can dive right in.
