Mothiba, 2020-12-17 Not everyone knows God is real until you tell them about your testimony It s when people hear your real

story that they get to know you like you and trust you And want to do business with you realising that everything that looks nice comes with a price The one who is willing to pay whatever price it takes to do the will of God is worth more to God than the one who always looking for a cheaper I believe that everyone is gifted but some of us never open our package When we believe with all of our hearts that we will do what we were made to do For what we really want to do is what we are really meant to do When we do what we are meant to do doors open for us we feel useful and the work we do feels like play to us At times we might think we are not good enough but you will surprise yourself if you keep trying You are capable of achieving more than you realize The world need you to shine your light extra bright Remember those forgotten by the world The widows the broken and the lost souls Be the voice for those unheard Do what is right for them even if it is not expected noticed or required You are an answer to their problem a key to someone s new door a signpost on someone s journey Let your light shine before men in such a way that they may see your good works and glorify your Father who is in heaven

Matthew 5 16 *Finding the Way* Bruce McNab, 2013-03-18 Life is a complex journey and each of us must find our own way But sometimes we take a wrong turn and get lost When that happens we have to backtrack and begin again We are living in a time when many young adults who dropped out of church in high school or college are seeking to reconnect with their faith while older Christians are feeling a need to turn their own lives around Finding the Way offers help for all Christians who are hungry for an intimate relationship with God and want to restart their spiritual journey on a path they can see clearly explain simply follow faithfully and share with others This is a book for those who want to practice Christian faith as a way of life not merely accept it as a system of doctrine We are not lost in a trackless twenty first century spiritual wasteland There is a Way that can lead us home to God We have companions on the journey and the Good Shepherd himself will guide us Finding the Way calls us to brave the steep upward journey with Jesus to rededicate ourselves boldly to the imitation of Christ ***RUN!***

A Strong Foundation for Christian Living Dr. Joe Cephus Bingham Sr.,2016-06-07 Jesus tells a story about two homes in Matthew 7 24 27 The narrative helps everybody to understand the difference between Holiness and sinfulness In these Scriptures THE LORD shares a word picture to show the dissimilarity amid unrighteous and righteous The unjust ill advised built upon shifting sand with no thought of digging a foundation He did not consider his future An unshakable truth is seasons changes therefore when the gale winds blew his home failed On the other hand the man of wisdom dug deep until he hit solid stone hence his base and construction stood under all kinds of inclement weather Believers who study pray and go to worship services are building their life on the unyielding pillars of The Gospel However sitting in the wrong Church and receiving inaccurate teaching is just as indiscreet as faulty architect on sinking landscape The strong winds of adversity are sure to come and the structure will collapse Matthew 7 27 Two builders the foolish and wise two results devastation and strength Make the Gospel a lifestyle *Empowered Under God's covering* David Palmer,2013-06-18 Concerned that many Christians and churches live below their potential David Palmer wrote this book to show how to be empowered under God s covering successfully He provides an illustrated explanation of righteousness one that takes right standing out of the realm of theological concept into a practical applicable hands on understanding of our position in Christ and everyday living He also gives a profound understanding of how Jesus type leadership faith prophecy intercession and gracious words provide a supernatural covering under which believers an grow in grace to their maximum potential without unnecessary hinderances This book contains revelation vital to anyone wanting to live an empowered Christian life or desiring to provide leadership that facilitates the empowering of others

Dealing with Guilt Dr. Joe Cephus Bingham Sr.,2018-01-12 The authors purpose for writing this thesis is to show how saints gain power after they repent from the sin of guilt Converts who hold on to guilt will never seize the benefits of admitting it Confessing faults helps saints to understand the advantages of a righteous soul People who hold firm to guilt often criticize others for their shameful way of life The scripture addresses how to recover from indiscretions yet Christians still struggle with many self deceptions They mourn and cleave to condemning faults Followers who allow negative memories to overwhelm an ethical conscious will act out of subversive motives Disheartened motivations ignite blameworthiness and underscore a spirit of doubts
