## **The Miracle Of Three Physical Signs From God:**

**The Miracle of Three Physical Signs from God** Reverend Davis, 2015-07-15 This explosive accounting ordained by God and confirmed by Him through 3 physical signs methodically reveals through referenced biblical resources the fact changes have been made by men to His Word It also brings to light certain doctrine crucial to salvation that is not in the New Testament which Jesus had given in fulfillment of the Jeremiah 31 31 prophecy Behold the days come saith the LORD that I will make a new covenant with the house of Israel The changes made by men to the Bible have caused numerous discerning Catholics and Protestants to question obvious contradictions they have found within their Bible For instance Exodus 24 Verses 3 and 4 state the Lord gave words and judgments that Moses wrote down and then Verses 7 and 8 state Moses took the book of the covenant that he wrote and instituted the Blood Covenant Next in Exodus 29 Verses 10 through 42 the Lord gave to Moses blood sacrifice rituals and laws The inconsistency develops when one reads Isaiah 1 Verses 11 and 12 they reveal the Lord told Isaiah something very different Verse 11 states the Lord wanted to know the reason for all the blood sacrifices unto Him and He made it very clear He abhorred them Next in Verse 12 it states the Lord wanted Isaiah to tell Him who commanded these sacrifices Malachi 3 6 crystallizes the fact God does not contradict Himself so that brings into question which of the diametrically opposing lessons are of God the lessons conveyed in Exodus 24 and 29 or those given in Isaiah 1 A different type of inconsistency is found in Matthew 15 24 as it applies to Romans 8 3 and 10 9 10 Matthew 15 24 reveals Jesus stated I am not sent but unto the lost sheep of the house of Israel However Romans 8 3 and 10 9 10 lead one to believe God sent Jesus as salvation to all of mankind Which is correct did He come only for the lost sheep of Israel or did He come to redeem all of mankind The King James and Catholic Bibles contain many more diametrically opposing lessons than those just addressed God's Book The Miracle of Three Physical Signs from God through documented referenced biblical resources reveals facts that solidify which diametrically opposing lessons within the Old Testament are of God as handed down through Holy Spirit and prophets And it also crystallizes which lessons within the New Testament are truly of Jesus and His chosen Twelve

**Signs of God** Mark Corner, 2017-11-30 Signs of God reveals why discussion of the nature of miracles is of central rather than marginal importance where belief in God is concerned Miracles cannot be shunted to one side as an embarrassing hangover from a pre scientific age Miracles have played an important role in the history of all the major world religions and many religious believers claim that they continue to do so Yet they have also been criticized from a philosophical viewpoint as incompatible with a belief in laws of nature and those who seek to have their religious beliefs properly attuned to the modern world often prefer to do without them This accessible book examines the nature of miracles both in philosophical and historical terms and concludes that whether or not miracles happen it is difficult to see how religious belief could survive without them

*God of the Signs* S. Bennett P. John, 2013-07-31 The author of the Gospel of John had chosen eight miracles signs from the three year ministry of Jesus This is in contrast to the synoptic authors Mark

Matthew and Luke who have recorded many miracles The specific purpose was to introduce his gentile readers to Jesus as the Messiah and the Savior of the world and by believing in Him to receive eternal life The miracles include the transformation of water into wine in a wedding feast and Jesus healing the son of a government official without going the distance and instantly The other signs are the healing of the lame man in Bethesda the feeding of five thousand men walking on the water giving sight to the man born blind and raising of Lazarus from the dead after four days before resurrection as well as miraculous catch of fish after resurrection Each study is presented in three parts background description and devotional application suited for individual or a small group or sermon preparation Also included are appendices and a discussion guide giving questions for individual and group study

**The Spirit of Christ in Human Brains and Neurosurgery** Ramsis F. Ghaly MD FACS, 2018-06-07 There is no doubt in my mind that the Spirit of God is connected to the human brain within the skull The human brain is not limited to the boundaries of the skull Instead it goes beyond the physical barriers of our planet and into the spiritual world My Christian faith as a Coptic Egyptian Orthodox was the main reason I chose to be a neurosurgeon It is in this way how my soul becomes closer to Lord Jesus Christ I have devoted my life and withstood a very long journey in medicine and neuroscience leaving my home country of Egypt and coming to America to strive in the difficult fields of neurological surgery neuroscience and anesthesiology Every day my soul learns more and more about my Lord Jesus I see him in my patients in my surgeries and in my surroundings Deep within the brain lies the Spirit of Christ As the author I explore not only the connectivity of the human brain with the Spirit of God but also the Spirit of Christ in my neurosurgery practice My human brain continues to be both thirsty and hungry for more and more of his eternal love In this present book of sixty five chapters much of my soul I wish to share with you the beloved reader A section is designated to my most recent neurosurgery patients testimonials and experiences Another section reflects upon the biblical words used during President Donald Trumps inauguration and Melanias speech and the presidents visit to the Middle East for peace
