Andrews, 2021-10-28 Did one mistranslated word in 1946 change the church forever The film The 1946 Project claims that the word homosexual was wrongly inserted into the Bible in the Revised Standard Version and that this single mistake has fueled decades of misunderstanding mistreatment and oppression But is that true Or is it a clever attempt to rewrite the gospel to fit the spirit of the age This book exposes the errors of The 1946 Project with Scripture history and sound scholarship From Genesis to

Revelation the Bible speaks with one voice about God's design for sex marriage and holiness It is not one English word that defines the issue but the inspired Word of God itself Part One dismantles the film's claims showing why the mistranslation myth collapses under the weight of biblical evidence and the Christian consensus across centuries Part Two turns directly to today's youth ages 12-25 offering biblical guidance courage and clarity in a world of confusion about identity gender and truth This is not a book of hate but of hope It calls every reader to take God's Word seriously to stand firm in a culture of compromise and to believe the good news that in Christ sinners of every kind can be washed sanctified and justified 1 Corinthians 6:11 Truth matters Eternity matters The gospel cannot be rewritten Teaching Them Obedience in All Things Edgar J. Elliston, 1999-09-15 The seventh installment in the EMS series provides presentations originally given at meetings held in November 1998 Topics include the biblical and missiological foundations for training evangelical pastors and missionaries contextualization of curriculum Christian higher education and case studies in both postmodern settings as well as traditional ones **A Just Mission** Mekdes Haddis, 2022-09-27 Western mission often centers the senders without as much understanding of the receivers experiences Weaving together theology and stories from diaspora groups Ethiopian American mission practitioner Mekdes Haddis provides a postcolonial critique of Western mission upending the white savior complex and arguing for a globally just approach Encountering Theology of Mission (Encountering Mission) Craig Ott, Stephen J. Tennent, 2010-05-01 This fresh comprehensive text fills a need for an up to date theology of mission It offers creative approaches to answering some of the most pressing questions in theology of mission and missionary practice today The authors who are leading mission experts discuss biblical theology of mission provide historical overviews of the development of various viewpoints and address theologically current issues in global mission from an evangelical perspective This readable yet thorough text integrates current views of the kingdom of God and holistic mission with traditional views of evangelism and church planting It also brings theology of mission into conversation with ecclesiology and eschatology Topics covered include contextualization the missionary vocation church and mission and theology of religions Sidebars and case studies enable readers to see how theology of mission touches real life mission practice **The Earliest Christian Mission to "all Nations" in the Light of Matthew's Gospel** James LaGrand, 1999 This original work of scholarship clarifies how in light of Matthew's Gospel the first Christians understood and claimed Israel's messianic mission to people of every ethnic group immediately after Jesus' death and resurrection **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **Counter-Narrative and Ambivalent Discourse Toward Christianity in African Postcolonial Literature** Tatang Iskarna, 2023-05-02 The book Counter narrative and Ambivalent Discourse towards Christianity in African Postcolonial Literature explores the encounters and conflicts between Christianity and African traditional culture represented in three African postcolonial literature Achebe's Arrow of God Thiong'o's The River Between and p Bitek's Song of Lawino Using postcolonial perspective this book reveals a counter narrative discourse

against the arrival of Christianity in the three African postcolonial literary works and highlights the ambivalent nature of this resistance as the authors cannot escape the trap of conformity to Christianity and Western hegemony Christianity as a missionary and culturally destructive religion in postcolonial Africa is considered complex religion that can have both positive and negative effects on traditional African societies While it can be a ideological tool of colonialism that destabilizes the fabric of local life it also provides solutions to some local problems This new religious belief disrupts the social structure and cultural traditional in the context of African postcolonial society

Seeking the Lost, Keeping Them, Making Them Disciples Dr. Benoit Petit-Homme, 2018-08-27 Seeking the Lost Keeping Them Making Them Disciples By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America Dr Benoit Petit Homme s contribution to the discipleship crisis is a compelling re examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord

Paris, 2018-01-18 To any woman seeking encouragement contentment unity true joy and peace in times of trial this is the Bible study for you During this Bible study we will study the life of Paul and the background to the book of Philippians Then we will study the book of Philippians verse

by verse During this study you will come across the themes of perseverance during persecution learn how to find true joy and peace in Christ be encouraged to give generously to missions learn how to strive toward unity in our church bodies so we can fulfill the Great Commission and learn how to strive toward unity in our own personal relationships and much more By the end of this study you should be able to find joy peace and unity in all circumstances *From the Inside Out* Ryan Kuja,2018-05-22 For the sake of the world we question For the sake of the gospel we examine For the sake of the dignity of the image bearers we serve as well as ourselves we inquire The evolution that has taken place in the world of mission over the last twenty five years has left many Christians asking brutally honest questions about what we do and why we do it Are we doing more damage than good What does it look like to truly love and serve the marginalized in an authentic and effective way What actually is the gospel and is it truly good news In this groundbreaking book Ryan Kuja vividly examines the world of Christian mission as few have seen it With a beautiful balance of storytelling and theological reflection birthed from his own painful and powerful experiences on and off the field from rural villages in South Sudan to major cities across Asia Africa and Latin America Ryan guides us into global mission s past and present revealing where the light and hope lie helping recover a missional future that will usher us into a new era This is mission reimagined for a world recreated from the inside out **The Method of Our Mission** Prof. Lacey C. Warner,2014-07-15 Theology shapes who we are and how we organize to transform the world Especially written for required United Methodist classes this accessible book uses a Wesleyan theological frame connection to help readers understand United Methodism s polity and organization as the interrelationship of our beliefs mission and practice The book is organized into four parts United Methodist beliefs mission practice and organization Polity and organization are primary embodiments of The United Methodist Church Functional in nature these aspects of the denomination facilitate our mission to make disciples for the transformation of the world This book connects denominational governance and organization to our beliefs as well as our mission A clear understanding of our identity as Methodists with Wesleyan roots in connection and our purpose to make disciples for the transformation of the world can help students of United Methodism navigate this treacherous landscape as present and future leaders Warner also addresses the estrangement between theology and institutional structures and practice by framing governance practices and organizational structure within a Wesleyan theology of connection This approach will assist current and future denominational leaders in understanding their practices of administration and participation in polity as a theological endeavor and key component of their ministries This textbook has been updated with changes from the 2016 General Conference *Indiana Conference 2012 Journal* 2012 The Indiana Conference of The United Methodist Church.,2012-09-28 This book is the official Journal of the Indiana Conference Proceedings of the Fourth Annual Session held in Indianapolis Ind June 7 9 2012 Engaging Millennials in Missions Annell James,2024-08-13 The millennial members of the church have shown a lack of interest in participating in the local church s mission ministry This lack of interest has caused the missions department and the church

concern because fulfilling the mission of God is the mission of the church The mission statement of the church is the focus of the ministry programs Suppose the mission department creates a missions training program designed to focus on a technological learning style in which millennials thrive Could it attract involve and engage millennials in future mission trips while educating them It is this question that the research seeks to answer Arriving at the answer is achieved by posing questions to millennials at the church via interviews and a focus group and searching books for authorial insight into their characteristics This research will determine if conflicts within the church influenced the millennial s decision to participate The findings from this research will be instrumental in informing and assisting churches in identifying potential problems and solutions relative to a generational group within the church
