

The background of the slide is a composite image. The upper half shows a vast, colorful sky with a large, orange-hued planet or moon on the right side. A bright sun or star is positioned in the center, casting a wide, golden glow across the sky. Several thin, golden lines radiate from the sun, creating a starburst effect. In the upper left corner, a smaller, brownish planet is visible. The lower half of the image depicts a landscape with rolling hills and a body of water. The hills are rendered in shades of purple and blue, suggesting a twilight or dawn setting. The water in the foreground is dark, with a bright reflection of the sun in the center, creating a shimmering path of light. The overall composition is dreamlike and ethereal.
