The Navarre Brotherhood:

The Navarre Brotherhood Tammy Wunsch, Elizabeth Upp, 2014-12-30 Two Columbia University professors find themselves embroiled in a rousing international adventure in search of a treasure that has eluded scholars and fortune hunters for centuries the lost treasure of the Templar Knights They are pursued by ruthless murderers and a secret society from New York to Scotland to France in an intriguing quest to preserve history and their lives **Sites of the Dictators** Xosé M. Núñez Seixas, 2021-06-13 This book explores the changing evolution of memory debates on places intimately linked to the lives and deaths of different fascist para fascist and communist dictators in a truly transnational and comparative way During the second decade of the twenty first century a number of parallel debates arose in Italy Spain Portugal Albania Austria and other European countries regarding the public management by democratic regimes of those sites of memory that were directly linked to the personal biographies of their former dictators The ways in which each democracy deals with the dead bodies mausoleums and birthplaces of the dictators vary considerably although common questions occur such as whether oblivion or re signification is better the risk of a posthumous cult of personality being established and the extent to which the shadow of the authoritarian past endures in these sites of memory Using the concept of sites of the dictators the author explains why it is so difficult to deal with some sites of memory linked to dead autocrats as those places contribute directly or indirectly to humanizing them making their remembrance more acceptable for the present and future generations and discusses the potential of the Europeanization of these dark memories of the past Exploring the imperatives of memory politics and how these are reconciled with local actors interested in exploiting the dictator s remembrance this book will be useful reading for students and scholars of history politics and memory studies *Gaudete: Mysteries of Joy* Philip Krill, 2017-10-27 Mary is known in tradition as the Mystical Rose and praying her rosary is meant to be a mystical encounter with the Most Holy Trinity Mary is the daughter of the Father mother of the Son and spouse of the Holy Spirit GAUDETE is a scriptural rosary written in a lectio divina key inviting us to contemplate the Trinitarian dimensions of the Mysteries of Joy About the Author Philip Krill is a priest in the Archdiocese of St Louis MO **The Cornhill Magazine** ,1870 **The Californian** ,1882 *Henri quatre; or, The days of the League* [by J.H. Mancur]. John Henry Mancur, 1834 [Henri Quatre; or, the Days of the League. 3 vol. \[By J. H. Mancur.\]](#) John Henry Mancur, 1834 *The Rosicrucian Enlightenment* Frances Yates, 2003-09-02 First Published in 1986 Routledge is an imprint of Taylor Francis an informa company G. Louis Jackson, 2007-05-01 *Awards ... First Division, National Railroad Adjustment Board* United States. National Railroad Adjustment Board, **Bohemia** Charles Edmund Maurice, 1896 **Pilgrims and Politics** Dr Antón M. Pazos, 2012-11-01 The objective of this book is to analyse the historical relationships between the phenomenon of Christian pilgrimage and political power within Europe from the Middle Ages up to the present day It establishes a discussion in which the twelve contributors to the volume can compare very different situations such as the medieval pilgrimages and politics in the Latin

East as part of warfare and conflict resolution the significance and reality of pilgrimages in late medieval England or in Rome during the papacy of Innocent III the two way traffic pilgrimages in the Tuscan city of Lucca or the pilgrimages in Eastern European countries as an aspect of opposition to communist power A major focus is on the pilgrimages to Santiago de Compostela an important Christian sanctuary from the time of the discovery of the tomb of the apostle St James in the 9th century Topics covered include the Way of St James as seen through medieval Muslim sources the political reading of the apostolic cult as an ideological instrument of the propaganda of the Asturian monarchy Santa Maria de Roncesvalles as an example of political involvement in the assistance of the Jacobean pilgrims the Order of St John as protector of the medieval pilgrims to Santiago de Compostela or the nationalist use of the pilgrimages as an element of national unification and internal cohesion during the Spanish Civil War The final chapter provides a broader global perspective on pilgrimages up to present times
