Christiani esse non licit It is not lawful to be a Christian From the time of Nero in the mid first century these four words hung over the heads of every Christian for the first three centuries of the nascent Church of the Christos the God man To be a Christian was to be subject to execution So it was In 116 AD during the reign of the Emperor Trajan Ignatius bishop of Syrian Antioch heard those four words sentencing him to death in the Roman Colosseum His condemnation and martyrdom were witnessed by Gaius Segusius the Peregrine a wealthy Gallo Roman merchant and Ignatius lifelong and closest friend Against the backdrop of Trajan s Roman Empire Gaius is inexorably drawn into the Christian world as The Way spreads throughout the Empire and into Gaius own family We encounter the Christians of Rome those in Asia and Bithynia the emperor Trajan successful in war reshaping the face of Rome with his monumental building projects the decorated centurion Maximus who befriends Gaius the eloquent Roman senator Pliny the Younger through whose letters we live the lives of noble Romans and a vengeful banished son who will haunt the last days of the Peregrine Over the course of twenty years the lives of Gaius and Ignatius are increasingly intertwined Ignatius the martyr who becomes one of the most famous and iconic of the early Church Fathers Gaius who seeks understanding of his closest friend s faith while fearing the possibility of hearing those deadly four words History and fiction meet in a story of the love of two brothers and the Love that conquers all St. Laurence & the Holy Grail Janice Bennett, 2004-01-01 Many scholars are convinced that The Holy Chalice of Valencia is the Holy Grail celebrated in medieval legends as it was venerated by monks in the secluded Monastery of San Juan de la Pena built into a rocky outcropping of the Pyrenees and surrounded by mystery The tradition of Aragon has always insisted that the flaming agate cup of the Holy Chalice was sent to Spain by Laurence the glorious saint martyred on a gridiron during the Valerian persecution of 258 AD whose praises have been sung in European literature since the fourth century Now there is new evidence A sixth century manuscript written in Latin by St Donato an Augustinian monk who founded a monastery in the area of Valencia provides never before published details about Laurence born in Valencia but destined for Italy where he became treasurer and deacon under Pope Sixtus II It explicitly mentions the details surrounding the transfer of the Holy Cup of the Last Supper to Spain *The Voices of Medieval English Lyric* Anne L. Klinck, 2019-11-28 What was the medieval English lyric Moving beyond the received understanding of the genre The Voices of Medieval English Lyric explores through analysis discussion and demonstration what the term lyric most meaningfully implies in a Middle English context A critical edition of 131 poems that illustrate the range and rich variety of

lyric poetry from the mid twelfth century to the early sixteenth century The Voices of Medieval English Lyric presents its texts freshly edited from the manuscripts in thirteen sections emphasizing contrasting and complementary voices and genres As well as a selection of religious poetry the collection includes a high proportion of secular lyrics many on love and sexuality both earnest and humorous In general major authors who have been covered thoroughly elsewhere are excluded from the edited texts but some especially Chaucer are quoted or mentioned as illuminating comparisons Charles d Orl ans and the Scots poets Robert Henryson and William Dunbar add an extra national dimension to a single language collection Textual and thematic notes are provided as well as versions of the poems in Latin or French when these exist Adopting new perspectives The Voices of Medieval English Lyric offers an up to date accessible and distinctive take on Middle English poetry
