Hotchkiss,1997 Traces the evolution of the golf ball from the fifteenth century to the present with current markeplace values for collectible golf balls The Sportswoman's Library, Volume 1 (of 2) (Illustrations) Various, Example in this ebook When I

look at the completed MSS of the first volumes of the Sportswomans Library I feel deeply grateful to the many good sportswomen who have aided me in my work not only for the great stores of practical knowledge they have brought to bear on the several subjects of which we have treated but for the way in which they have collaborated with me For this my warmest thanks are due to them one and all The object we have placed before us is to give women the information and help they are not likely to find in those books which are written chiefly from a man s point of view and we have therefore avoided as far as possible trenching on ground that has been already adequately covered by those who to sportsmen and sportswomen alike are the best authorities on the various subjects If therefore our writings sometimes seem to be wanting in completeness it is I venture to think to be attributed to this cause When I first gathered round me the body of contributors some of whom were personally unknown to me I could but feel that the many threads I held in my hand might prove to be a very tangled skein before the work was brought to completion This foreboding however I am glad to say was entirely without foundation for each writer threw herself into her part with such genuine determination to do the best she could for the matter of her work that the minor details as to the manner in which it should be given to the world did not assume undue proportions and there has been nothing to throw the slightest shadow over the harmony in which we have worked That the effort we have thus jointly made to give some help to our sister sportswomen may be successful is to wish the writers the

best reward they can have for the labour they have bestowed Besides my fellow workers I have a debt of gratitude to discharge to all who have so kindly assisted me in my work Foremost among these I must acknowledge the valuable help given by Lady Gifford Mrs Pryse Rice Mrs Cheape and Miss Lloyd of Bronwydd without whose assistance I could not have ventured to write on the subject of Hare Hunting by Mr T F Dale author of The Game of Polo whose great practical knowledge of sport has made him an invaluable referee on many important questions by another good sportsman Captain the Hon R C Drummond who generously gave me the benefit of his advice on matters which have been a life long study to him by Elizabeth Lady Wilton Lady Theodora Guest Lady Gerard Lady Dorothy Coventry Mrs Wrangham Mrs T E Harrison Miss Serrell Mr C H Bassett late Master of the Devon and Somerset Staghounds Mr Ian Heathcoat Amory Master of the Tiverton Staghounds Mr W L Wyllie A R A Miss Maud Earl Miss Walrond Mr Cuthbert Bradley Dr Lewis Mackenzie Miss Florence Ritson and Mrs Dudley Smith I must also acknowledge the help so readily given by Mr Charles Lancaster and Messrs Holland and Holland on the sport with which their names are so closely connected and I must thank those photographers who have exercised their skill on our behalf viz Messrs Lombardi and Co who from the first have helped us largely Messrs Lambert Weston J Weston and Son Stuart Becken and A Debenham My thanks are also due to the Proprietors of Baily s Magazine The Field The Gentlewoman and The Lady s Pictorial for the use of blocks which have been re produced in their pages To be continue in this ebook *Great Britain '94* Fodor's,Fodor's Travel Publications, Inc.
