The No Nonsense Guide To Democracy:

The No-nonsense Guide to Democracy Richard Swift, 2010 Explores how democracy has been constricted and deformed by economic power brokers and a self serving political class from Birmingham to Bangalore Swift considers the different tools people in power have used to manipulate democratic principles such as freedom to their advantage Includes chapter length discussions of topics such as the economic meltdown Barack Obama eco democracy democratizing the economy and democracy in the global south It is also a guide to the rich diversity of forms of elected government full of practical advice for voters

No-Nonsense Guide to Democracy Richard Swift, 2010-05-21 In this updated edition of the No Nonsense Guide to Democracy Richard Swift explores how democracy has been constricted and deformed by economic power brokers and a self serving political class from Birmingham to Bangalore The book includes chapter length discussions of topics such as the economic meltdown Barack Obama eco democracy democratizing the economy and democracy in the Global South It is not only a guide to the rich diversity of forms of elected government but it also contains practical ideas for empowering today's voters around the world

The No-nonsense Guide to Terrorism Jonathan Barker, 2003 Terrorist or freedom fighter Analyzing the causes and contexts of terrorism the world over Barker guides readers through the moral and political theories justifying and guiding terrorist acts

No-Nonsense Guide To Democracy Richard Swift, 2002 **The No-nonsense Guide to Water** Maggie Black, 2004 Water sustains life without it humans cannot survive for more than a few days And yet this precious fluid is becoming increasingly politicized as the debates about control and ownership of water itself and of the many organizations which govern its use gain force Maggie Black explores the many roles water plays in human life and as the defense of water rights looks set to become an explosive issue provides a clear overview on the vital issues of distribution technology irrigation land use and commodification

The No-nonsense Guide to Islam Ziauddin Sardar, Merryl Wyn Davies, 2007 A balanced portrayal of real Islam looking beyond the common perceptions and polemical debates It shows what Islam has achieved and shows why a better understanding of Muslims is needed throughout the world But it also explains why Islam needs to make itself more relevant by showing it can create a tolerant and peaceful society and explores the steps for reform A plain speaking independent view that informs current debates and puts modern developments into the context of the history of Islam and its people

The No-Nonsense Guide to Science Jerome Ravetz, 2006-11-01 Science is the great intellectual adventure but can also be an instrument of profit power and privilege Wrongly used it might yet make the twenty first century our last To make sense of this we need to let go of old ideas and assumptions This No Nonsense Guide to Science introduces a new way of thinking about science moving away from ideas of perfect certainty and objectivity We must accept uncertainty and ignorance in the field as well as the need for citizens participation in the policies involving science

The No-nonsense Guide to Global Media Peter Steven, 2003 The power and influence of the mass media grows daily crucially affecting the way all of us see and understand each other The No Nonsense Guide to Global

Media introduces readers to the political economy of the major mediafilm television radio recording publishing and the Internet Peter Steven looks at the ever greater concentration of ownership and at the convergence of technologies and media functions At the same time he emphasizes the diversity of local media production and media around the world The media is more than the economics of ownership and the technology of production he stresses it is also audiences in all their annoying and wonderful diversity

The No-nonsense Guide to Indigenous Peoples Lotte Hughes,2003 Indigenous peoples have long suffered from exoticization Outsiders elevate their beauty remoteness and difference and do not see beyond this to the real problems they face The No Nonsense Guide to Indigenous Peoples looks beyond the exotic images tracing the stories of different indigenous peoples from their first and often fatal contact with explorers and colonizers Much of this history is told here by indigenous people themselves They vividly describe why land and the natural world are so special to them how it feels to be snatched from your family as a child because the government wants to make you white why they are demanding that museums must return the bones of their ancestors how can they retain their traditional culture while moving with the times and what kinds of development are positive This short guide discusses all this and more raising countless issues for debate

The No-nonsense Guide to World Poverty Jeremy Seabrook,2003 At the turn of the new millennium the United Nations determined that world poverty would be halved by 2015 International agencies are all committed to poverty abatement The International Monetary Fund and the World Bank have renamed their structural adjustment policies poverty reduction strategies But can this work No argues Jeremy Seabrook not if we fail to understand the meaning of poverty Drawing on testimonies from around the world as well as on the hard facts he challenges the assumption that wealth overcomes poverty and demonstrates that the opposite of poor is not rich but self reliant Appealing passionately for a shared sense of sufficiency he gives verbal snapshots of people s lives to show how poverty shifts changes and endures in response to the growth of wealth

The No-nonsense Guide to Class, Caste & Hierarchies Jeremy Seabrook,2002 With globalization traditional societies are being replaced by an international working class and a small minority of the global rich In such a situation who is to guarantee social justice

The No-nonsense Guide to HIV/AIDS Shereen Usdin,2003 Tells the story so far looking at the origins of the disease the way it spreads and examining the profits made by drug companies women s special vulnerability and the positive action being taken by people and communities to fight back back cover

The No-nonsense Guide to Women's Rights Nikki van der Gaag,2004 How much has life really changed for women during the last decade Has the womens movement affected women all over the world Has it changed womens relationships with men Nikki van der Gaag answers these questions with hard sometimes disturbing evidence Many women have made huge leaps forward in legal rights political representation employment education healthbut beneath the surface the statistics are shocking Vivid testimonies from women and men around the world explain why especially in this post feminist age womens rights are still very much an issue for men and women alike She has made a special effort to correct many of the

misconceptions and biases related to the feminist movement to link the liberation of women who constitute half of society to the liberation of men and to the dispossessed majority living on earth from the introduction by Nawal El Saadawi The No-nonsense Guide to International Development Maggie Black,2002 All too often what passes for development improves life for the better off while actively hurting the very people the venture was meant to support back cover The No-nonsense Guide to World History Chris Brazier,2001 This guide integrates concisely the conventional narratives of history with the stories of the continents and communities of Asia Africa and Latin America **The No-nonsense Guide to the Arms Trade** Gideon Burrows,2002 The ending of the Cold War was supposed to increase global security and divert expenditure previously earmarked for arms purchases to more constructive ends Instead the arms trade has flourished Not only conventional arms but also police and surveillance equipment have been provided by Western countries seeking to make a profit from conflict in unstable parts of the world Foreign debt has remained high development has been held back and human rights have been systematically abused all with the connivance of an arms trade prepared to turn a blind eye to the uses to which increasingly sophisticated weaponry is put so long as hefty profits can be reaped This disturbing book names the players in the arms trade and charts the impact that it has had on war human rights and development The financial and trade mechanisms that permit the arms trade to continue are revealed amid sordid tales of bribery and corruption Gideon Burrows concludes his examination by reviewing the ways in which this trade can be controlled or even abolished

No-Nonsense Guide to Democracy, 2nd Edition ,2010 In this updated edition of the No Nonsense Guide to Democracy Richard Swift explores how democracy has been constricted and deformed by economic power brokers and a self serving political class from Birmingham to Bangalore The book includes chapter length discussions of topics such as the economic meltdown Barack Obama eco democracy democratizing the economy and democracy in the Global South It is not only a guide to the rich diversity of forms of elected government but it also contains practical ideas for empowering today's voters around the world **The No-nonsense Guide to Globalization** Wayne Ellwood,2010 Globalisation has become one of the most used and encompassing words over the past decade of undeniable influence in economics politics and activism Globalisation is literally all around every aspect of life is affected by a global structure of communication and economy This fully revised and updated guide condenses this complex subject into clear concise commentary It examines the debt trap the acceleration of neoliberalism competition for energy resources the links between the war on terror the arms trade and the alternatives to corporate control **The No-nonsense Guide to Global Terrorism** Jonathan Barker,2008 A highly accessible history of terrorism looking at core examples from the Middle East instances of state terrorism and terrorist fringes of political movements Covers the theories justifying and guiding terrorist acts and the battle of images that accompanies them including the proliferation of terrorist activities over recent years and international hotspots the war on terror terrorist acts carried out by states and the constraints on democracy and political and civil liberties that so often

characterise the response to terrorism The No-nonsense Guide to Human Rights Olivia Ball, Paul Gready, 2006 Ball and Gready review the development of today's assumptions about human rights and introduce readers to alternative models from history and from today's human rights debate From the material rights of citizenship to the more abstract rights of the imagination the authors present a clear overview of today's human rights debate and prompt discussion about alternative models for the future Splendid series of pocketable guides to issue politics rigorously clear The Guardian
