The Resurrection of The Dead Ones Michael Scantlebury,2025-06-15 What happens to a person when they die It is one of the most asked and least understood questions in all of life and for the Christian it entails the idea of a resurrection Every Christian denomination and there are many believe one simple truth the tomb was empty after the crucifixion of Jesus We often hear sermons where the focus is on the cross and the resurrection is mentioned only in passing But when you really get into the meat of the Word of God the Bible clearly shows that the resurrection of Jesus was the gospel message preached by

the Apostles and not the Cross Sadly the Believers only seem to get excited about the resurrection once a year at Easter time In reality every Sunday should be Resurrection Sunday The early Church met on the first day of the week to celebrate Jesus defeat of death Imagine the impact from consciously gathering every week to celebrate the resurrection And in that vein we need to seek to arrive at a clear biblical understanding of this particular question regarding what happens to a person when they die It is my earnest prayer that we together could arrive at a much better understanding of this subject
