Prisoners of Our Thoughts Alex Pattakos, 2004 This timely book expands on Viktor Frankl's seminal *Man's Search for Meaning*, examining the book's concepts in depth and widening the market for them by introducing an entirely new way to look at work and the workplace. Alex Pattakos, a former colleague of Frankl's, brings the search for meaning at work within the grasp of every reader using simple, straightforward language. The author distills Frankl's ideas into seven core principles: Exercise the freedom to choose your attitude. Realize your will to meaning. Detect the meaning of life's moments. Don't work against yourself. Look at yourself from a distance. Shift your focus of attention and extend beyond yourself. By demonstrating how Dr. Frankl's key principles can be applied to all kinds of work situations, *Prisoners of Our Thoughts* opens up new opportunities for finding personal meaning and living an authentic work life.
