

CHAPTER 2

THE SCIENTIFIC APPROACH AND ALTERNATIVE APPROACHES TO INVESTIGATION

Instructional Goals

1. To help participants comprehend that scientific research offers assurance to the manager that the results of a study can be relied upon and further action can be taken at low risk.
2. To impress on the students that business research, however rigorously conducted, cannot produce 100 percent scientific results in terms of precise solutions.
3. To sensitize participants to being watchful about observing the different cues in the environment which offer some idea of a gap in the desired and actual state of affairs.
4. To help students *understand* that applied research, though limited in generalizability, still has to be “scientific”.

Discussion Questions

The first two questions are straightforward and the answers may be extracted from the text.

3. One hears the word research being mentioned by several groups such as research organizations, college and university professors,
