BECOME AN AZURE WARRIOR David Cridland, 2022-01-31 This is my five books all collaborated into one I started writing in 1999 in Gaol I had attempted armed robbery with the intention of trying to save the world from global warming I was found not guilty by reason of mental illness and that illness made me creative and I did time writing rhyme as I say This book has over 100 of my best poems and there are also lots of cool quotes I've written My favourite one is Contentment you will find with a smile and quiet mind It has philosophies I've created and is packed full of insights I've had in my journey and recovery This book can help with weight loss addiction and mental health and can raise your vibration significantly One lady who I gave a copy to had a profound dream and was very content the next day before even opening a page In 1999 I used the 9 Pointed Star as a pattern for the cover of my first attempt at writing a book Years later I found out that the 9 pointed star had turned up in crop circles around the world in 1999 when I first began using this symbol I also found out the ancient Egyptians used it to represent their 9 Laws and the 6 Pointed Star their 6 Pillars and they believed in being able to attain immortality I also heard a voice one night say you have earned your star Then a week later a friend said she could see it above my head in my aura I felt very content for a month or two I was told when learning Rei ki that it is an ascension symbol and there are many other interpretations of the Enneagram as well It has been used for thousands of years by some different cultures I call contentment the ultimate cure and I say state of mind is everything this book can help you become more content and it can help enlighten you Reaching such a high level will make you a good spiritual healer or Azure Warrior as I call myself This book can help you become so content and high that you may hardly hunger it could be the Holy Grail for some and to be honest most days I don't hunger anymore though I still eat mostly one meal a day Is this an evolutionary step for humanity to find Total Contentment and need next to nothing All the best on your quest Utopia We all need to work together as one fraternity Lifting each other up through casual pleasantries The end result evolution to enlightenment immortality This goal becomes more than individual but planetary www.azurewarriors.com **Yu-Gi-Oh!
