

My Family

Family is the first school in a person's life, your family values and traditions are your first and valuable asset. I have a very close-knitted family, I love all my family members as and how they are. Both my parents are working. My grandparents also stay with us.

My father works as an accountant in a private firm. He sleeps with a calculator in his pocket. He maintains an account book for the whole family. He can never go to sleep unless he prepares a balance sheet. When we are busy watching TV programs, he can be seen taking everyone to task for not giving a proper account of daily expenses.

My mother is the finest lady in the world. She works as a receptionist in a private firm. My elder brother is a student of the senior secondary class. He is a very serious student and does not take part in games or other extra-curricular activities.
