Narrative, Literacy and Other Skills Edy Veneziano,Ageliki Nicolopoulou,2019-05-15 In recent years narrative skills have been receiving increasing attention from researchers for their relevance in the development of language literacy and socio cognitive abilities This volume brings

together studies focusing on two key issues in the development of children's narrative skills. The first part of the Volume addresses the issue of the interrelatedness between narrative skills and literacy language and socio-cognitive development as well as of the impact of narrative practices on the promotion of these different skills. The second part of the Volume addresses the issue of how early interactional experiences, particular contextual settings and specific intervention procedures can help children promote their narrative skills. The studies span a wide age range from toddlers to late elementary school children, concern different languages (Dutch, English, French, German, Hebrew and Italian) and consider narrative skills and practices from a rich variety of theoretical and methodological approaches. **Boy Writers** Ralph Fletcher, 2023-10-10

Writing test scores indicate that boys have fallen far behind girls across the grades. In general, boys don't enjoy writing as much as girls. What's wrong? How can we do a better job of creating boy-friendly classrooms so their voices can be heard? In *Boy Writers: Reclaiming Their Voices*, Ralph Fletcher draws upon his years of experience as staff developer, children's book author and father of four boys. He also taps the insights from dozens of writing teachers around the US and abroad. *Boy Writers* asks teachers to imagine the writing classroom from a boy's perspective and consider specific steps we might take to create stimulating classrooms for boys. Topic choice emerges as a crucial issue. The subjects many boys like to write about (war, weapons, outlandish fiction, zany or bathroom humor) often do not get a warm reception from teachers. Fletcher argues that we must widen the circle and give boys more choice if we want to engage them as writers. How? We must begin by recognizing boys and the world in which they live. *Boy Writers* explores important questions such as: What subjects are boy writers passionate about and what motivates them as writers? Why do boys like to incorporate violence into their stories and how much should be allowed? Why do we so often misread and misunderstand the humor boys include in their stories? In addition, the book looks at how handwriting can hamstring boy writers and how drawing may help. Welcoming boy-friendly writing genres in our classrooms, ways to improve our conferring with boys and more. Each chapter begins with a thorough discussion of a topic and ends with a highly practical section titled "What can I do in my classroom." *Boy Writers* does not advocate promoting the interests of boys at the expense of girls. Rather, it argues that developing sensitivity to the unique facets of boy writers will help teachers better address the needs of all their students. [Talk for Writing in the Early Years: How to Teach Story and Rhyme Involving Families 2-5 \(Revised Edition\)](#) Pie Corbett, Julia Strong, 2020-08-26

Pie Corbett's ground-breaking *Talk for Writing* approach has been successfully used by thousands of schools to teach writing creatively in an engaging way that motivates children. Now Pie and Julia take this multi-sensory approach to Early Years settings, introducing a simple way to inspire young children's language development through storytelling. Children learn language through memorable, meaningful repetition. The *Talk for Writing* approach enables children to internalise the language of story so that they can imitate it, innovate on it and create their own effective stories independently. *Talk for Writing in the Early Years* will show you how to put rhyme and story at the heart of your work with children and parents so that young learners

language development and creativity flourishes This multimedia resource shows you how to Select a story or rhyme the children will enjoy and tell it engagingly encouraging the children to join in Use a story map so they can picture what happens Use actions to reinforce meaning and emphasise key language patterns Help children build a bank of tales developing their linguistic repertoire The 2 OLCs contain 1 Footage of Pie Corbett conferences with EY teachers showing Talk for Writing in action 2 Clips of nursery children engaged in the Talk for Writing approach 3 Advice on how to use the OLC and handouts to train all staff in the approach 4 Interviews with parents and nursery school teachers on the impact of Talk for Writing 5 21 stories with story maps
