Through the Eyes of a Sheep Pamela Rene Anders Cook,2024-11-13 2 Through the Eyes of a Sheep reveals things that surrounded me on my Christian walk from the past to the present things that had the power to dull the hearing and take away the sight of someone from the promises of God I believe the role of spiritual shepherds who are leading God s people is vital in the body of Christ especially in times such as these When I reviewed the characteristics of a natural sheep I discovered that a sheep depends heavily on its vision They have excellent peripheral vision and can see behind them without turning their heads However they have poor depth perception which means they cannot see immediately what s in front of their noses So the voice of a shepherd is what they depend on when moving from one direction to another I believe this applies to us today as believers in the body of Christ We congregate and become very familiar with our surroundings but do we really know if we are headed in the direction God has planned for our lives based on what we are hearing from the shepherds that stand before us In John 10 27 Jesus said My sheep hear my voice and I know them and they follow me When a true shepherd is hearing from Jesus then the sheep will be safe and protected by the Word of God Your future is not based on the steps from your past but the steps you take in your present Pamela Rene Anders Cook **Resources in Education** ,2000-04 **It's Been On My Mind** Carolyn Schwartz,2011-09-28 Christian Advocate and Journal and Zion's Herald ,1906
