Life on an Emotional High Therapy, 2007-05-24 I'd describe this as my book of stimulation in poetry with experiences of my life for both men and woman to enjoy In this book I am divulging myself through poetry in a way different from others Stretching your imagination of what you think poetry is while expressing myself on many different levels At the same time I'll be giving you a hint at my experiences in conversations and thoughts with others Just me riding the roller coaster of life screaming and hollering waving my hands and having a good time with writing All of this while giving you secrets written in my poetry to leave you guessing and wondering is this about her her life her relationships in love life and marriage Who was that about Just making you wonder So many thoughts in my writing that it will make you wonder about me wonder about you and your life All of my writings are from my heart to my pen with a modest amount of modification and a minuscule amount of proofreading limited enough to keep my writings as real as possible In writing straight from your pen it's never perfect and sending my book to be professionally proofread I thought would make my thoughts too unreal too commercial take some of my personality or zest out of my book I wanted my writings to be as if someone was really speaking through writing Even if my grammar was terrible it would be the real me The corrections I have done are straight from spell check from my laptop giggle now we all know how that could be but I did it anyway I've exposed me and my thoughts in a way that has allowed me
